PREAMBLE

SECTION 1. In accordance with the provisions of Title VII of the Civil Service Reform Act of 1978, Public Law 95-454, Federal Service Labor Management Relations, hereinafter referred to as “Title 5 United States Code (USC) 71,” the following Agreement is entered into by and between Dover Air Force Base (Dover AFB), Delaware (DE), hereinafter referred to as the “Employer,” and Local 1709, American Federation of Government Employees (AFGE), hereinafter referred to as the “Union,” and collectively known as the “Parties.”

SECTION 2. The Parties recognize that the public interest requires high standards of employee performance and the continued development and implementation of modern and progressive work practices to ensure efficient accomplishment of the operations of the Government. Through the Union, employees are guaranteed the right to participate in the formulation and implementation of personnel policies and practices related to their conditions of employment through collective bargaining. Therefore, collective bargaining is in the public interest.

SECTION 3. Whenever language in this Agreement refers to specific duties or responsibilities of the Employer, the Parties agree the Employer will assign those duties and responsibilities at its sole discretion keeping with what is specified in this Agreement. The Parties also agree that references to “the supervisor” or “second-level supervisor” throughout the Agreement are for illustrative purposes and may not prevent management from designating any management official it deems necessary to perform duties and responsibilities identified in the Agreement.

SECTION 4. This Agreement must be read as a whole not just in part, as more than one article/section may apply.

WITNESSETH

The purpose of this Agreement is to promote and improve the effective and efficient administration of the Federal Service and the well-being of employees within the meaning of 5 U.S.C. Sec. 71. Therefore, in recognition of their respective rights and obligations, the Parties are bound and agree as follows:

ARTICLE 1

EXCLUSIVE RECOGNITION AND COVERAGE OF AGREEMENT

SECTION 1. The Employer recognizes the Union as the exclusive representative of all employees in the Unit as defined in Section 2 of this article.

SECTION 2. The Unit represented by AFGE Local 1709 is comprised of all Air Force appropriated fund (APF) nonprofessional, wage grade (WG), wage leader (WL), general schedule (GS), and police officer employees, and all Air Force non-appropriated fund (NAF) employees serviced by the APF and/or NAF Personnel Office(s) located at Dover AFB. All supervisors, management officials, professional employees, firefighters, and employees described in Title 5 of the United States Code, Section 7112(b)(2), (3), (4), (6), and (7) are excluded.

SECTION 3. This Agreement applies to all Air Force appropriated fund (APF) nonprofessional, wage grade (WG), wage leader (WL), general schedule (GS), and police officer employees serviced by the APF Civilian Personnel Office. Air Force NAF employees serviced by the NAF Personnel Office are not covered by this Agreement.

ARTICLE 2

PROVISIONS OF LAWS AND REGULATIONS

SECTION 1. In the administration of all matters covered by this Agreement, the Parties are governed by: Laws, Executive Orders, the Code of Federal Regulations (CFR), government-wide rules and regulations; any published Agency (DOD) and Department of the Air Force instructions in existence at the time the Agreement was effective (which means: approved by the Agency, signed by the Parties, and in effect); and subsequently published Agency regulations which are not otherwise in conflict with the provisions of this Agreement.

SECTION 2. Nothing within this Agreement is intended to be in conflict with laws, Executive Orders, or government-wide regulations. If there is such a conflict, the laws, Executive Orders, and government-wide regulations shall prevail over the terms of this Agreement.

SECTION 3. Where new or existing provisions of Agency and/or Air Force Instructions issued after the effective date of this Agreement are in conflict with this Agreement, the Parties agree the terms of this Agreement prevail.

ARTICLE 3

POLICIES, PRACTICES AND PROCEDURES

GENERAL. Both Parties agree pre-decisional involvement between the Employer (including the Civilian Personnel Office) and the Union enhances the labor-management relationship, employees' work-life quality, communication, productivity, and mission accomplishment and improves the timeliness of resolutions. Pre-decisional involvement is strongly encouraged by both Parties.

SECTION 1. Prior to implementing or informing employees of proposed changes to personnel policies, practices, and procedures that affect bargaining unit employees, the Employer shall notify the Union President in writing. Emergency situations can be verbally communicated as soon as possible, followed up by written notice.

SECTION 2. The Parties agree that when changes to personnel policies, practices and procedures with regard to personnel matters and/or conditions of employment are issued by appropriate authorities, i.e., DOD, the Department of the Air Force, MAJCOM, and Dover AFB, they may be subject to bargaining.

2.1. Therefore, all such changes shall be submitted promptly upon receipt and prior to implementation, to the Union for review, by the Office of Primary Responsibility (OPR) or by the Civilian Personnel Office.

2.2. The Union will have seven (7) work days to respond in writing to the OPR and/or the Civilian Personnel Office. The Union may request a one-time seven (7) day extension to respond consistent with the complexity of the subject matter and the deadlines set by higher authority.

2.2.1. Request for Clarification.

2.2.1.1. If the Union responds requesting clarification on the proposed changes, the OPR will coordinate their response with the Civilian Personnel Office prior to responding to the Union's clarification request.

2.2.1.2. The Employer will respond to the Union's request for clarification within seven (7) work days.

2.2.1.3. The Union shall have seven (7) work days following receipt of the response to submit its intent to bargain.

2.2.2. Intent to Bargain.

2.2.2.1. If the Union responds to the OPR with its intent to bargain, the Union shall include their specific concerns and the issue(s) they intend to bargain. The Union shall also submit a copy to the Civilian Personnel Office.

2.2.2.2. The Employer will respond in writing within seven (7) work days to the Union's intent to bargain.

SECTION 3. The Parties agree to provide joint training for supervisors and Union officers and stewards on the provisions of this Agreement when deemed necessary by both Parties.

SECTION 4. Questions.

4.1. Any questions or disputes (e.g., interpretation, definitions, coverage, etc.) involving published/ existing policies, instructions, or regulations affecting personnel policies, practices, or procedures, or conditions of employment shall be forwarded by the Union to the Civilian Personnel Office for clarification of questions or disputes. The Civilian Personnel Office will acknowledge receipt of the Union's request within three (3) work days and provide a response within ten (10) work days. Additional time will be allowed as needed, i.e., elevation to higher authority, etc.

4.2. In situations where no questions or disputes are involved, or where the question or dispute at issue has been decided by the OPR, decisions rendered by the Employer in accordance with such laws or regulations which affect employees of the unit may be subject to bargaining.

SECTION 5. Rules or regulations that are necessary for the security of the installation/personnel when there is an imminent threat, natural disaster or other emergency will be implemented immediately. This includes Special Security Instructions (SSIs) that are applicable to police officers. The Union will be notified immediately and bargaining obligations will be met as soon as possible. This does not limit the Employer's rights under 5 U.S.C. Sec. 7106(a)(2)(D) or the Union's rights under 5 U.S.C. Sec. 7114.

ARTICLE 4

TERM OF AGREEMENT AND METHOD OF AMENDMENT

SECTION 1. This Agreement shall remain in full force and effect and shall be binding upon the Parties for a period of three (3) years from the effective date (signed by the Parties and approved by the DoD) and, subject to DoD review thereafter in accordance with 5 U.S.C. Section 7114(c)(3), shall be extended for one year periods, unless either Party shall notify the other Party in writing not more than 105 calendar days, nor less than 60 calendar days prior to the expiration date, or to any subsequent anniversary date. The terms of this Agreement will remain in full force and effect during the renegotiation of said Agreement until such time as a new agreement is approved and in effect, unless the Parties mutually agree to a modification or amendment to this Agreement.

SECTION 2. It is understood and agreed that modification or amendment of this Agreement may be required because of the changes in laws, issuance of agency or government-wide regulations required by law, or issuance of Executive Order or other government-wide regulations, subsequent to the effective

date of this Agreement. If a future law, Executive Order, or government-wide regulation mandates a change to this Agreement, the Employer will promptly notify the Union in writing of the proposed specific change. No change to the terms of this Agreement shall be made unless such change is required by the specific provisions of the law, except where supplementary written agreement is reached by the Parties, subject to Agency head review.

ARTICLE 5

OFFICIAL TIME

Philosophy on Official Time: The Parties recognize and understand that the utilization of official time is beneficial to the interests of both Parties and is beneficial in developing and maintaining a positive labor-management relationship. It is further recognized and understood that communication, early involvement, and the use of official time by the Union, can prevent the inefficient use of scarce resources and diversion of manpower from the mission by averting potential conflicts/misunderstandings. The Union further agrees to guard against the use of excessive time and to conduct authorized business in an efficient manner.

SECTION 1. Coverage.

1.1. Subject to the provisions and limitations below, official time will be allowed when representing the Union or employees when:

1.1.1. presenting grievances at any step of the Negotiated Grievance Procedure or associated Alternate Dispute Resolution (ADR) procedures;

1.1.3. preparing for and attending meetings scheduled by management;

1.1.4. meeting and conferring or consulting with management, to include responding to management-initiated correspondence;

1.1.10. preparing employee/Union grievances and appeals;

1.1.12. representing the Union in formal discussions involving personnel policies, practices, working conditions, or grievances, and in investigatory interviews, between bargaining unit employees and management;

1.1.13. attending an interview between an employee and supervisor or designee, when the employee has a reasonable basis to believe that a disciplinary action might result and the employee requests the presence of a Union representative (Weingarten right);

1.1.14. preparing and participating in Labor Management Forums and Sub Labor Management Forums;

1.1.15. participating in informal Unfair Labor Practice resolution proceedings with management officials;

1.1.21. traveling to/from the Union office and on-base meetings to accomplish any of the above;

1.1.22. training purposes, to include travel time (when travel time is conducted during a duty status) (Note: Joint labor-management training will not be counted against the bank of hours); and,

1.1.23. lobbying Congress on *desired* legislation (Note: lobbying Congress on *pending* legislation is contrary to the DoD Appropriations Act and is therefore prohibited).

1.2. No official time shall be authorized for activities not listed or referenced in this Article, unless mutually agreed to by the Parties.

1.3. Official time is prohibited for any activity relating to the internal business of the Union (including such activities as the solicitation of membership, election of Union officials, collection of membership dues, financial accounting, etc.).

1.4. Official time for items 1.1.17. through 1.1.20. above is provided for under the Statute and therefore is not counted against the official time banks in this Article, provided it is properly documented with Representational Codes "BA: Term Negotiations" and "BB: Mid-term Negotiations" as identified in Section 5.8. below.

1.5. The Parties agree APF representational duties involving the use of official time will be performed by APF representatives for the purpose of representing APF employees. Exceptions may be permitted when it promotes effective dealings.

SECTION 2. Authorized Time.

2.1. Union President.

2.1.1. It is understood that, due to the responsibilities of AFGE Local 1709, the current President shall be on 100% official time. For purposes of this section, "current President" is defined as the individual serving as President of AFGE Local 1709 as of the date of this offer (16 January 2015). This grant of 100% official time shall cease when the current President is no longer the President of AFGE Local 1709. In the event the current President is no longer serving as the President of AFGE Local 1709, the successor will be granted a bank of 1,040 hours of official time.

2.1.2. The President may also request Annual Leave, Leave Without Pay (LWOP) or use previously earned compensatory time to perform representational duties. In addition to the official time identified above, the Union President may be authorized up to 16 hours of official time to attend the AFGE annual Legislative Conference (every year). Additional time for similar representational activities may be granted by mutual agreement between the Employer and the Union.

2.2. Excluding the President, the Union officers shall be granted a bank of official time, without loss of pay or benefits, not to exceed 2,080 hours per contract year, to represent bargaining unit employees and attend meetings as authorized under the terms of this Agreement and 5 U.S.C. Sec. 71. The Union agrees that whenever business of any nature is transacted during duty hours, only that amount of time necessary to bring about prompt and expeditious disposition of the matter will be utilized. At times, these officers are required and may use up to 100% of a duty day to carry out their representational duties.

2.3. Stewards. The Parties agree there will be a 560 hour bank of official time per contract year (26 pay periods) to be shared by the union stewards. Stewards may also request annual leave, LWOP, or use previously earned compensatory time to represent bargaining unit employees.

2.4. Police Officer Union Stewards/Officers will not be released from primary duties for official time if their release degrades security and police services. The degradation of security and police services and the approval of official time will be determined by the Commander/Operations Officer levels.

2.5. Training. It is understood training is in the best interest of all parties to include the public. Training under this Article will generally cover such areas as contract administration, handling of statutory actions such as grievances and information related to Federal/Labor relations Laws, Regulations, and Procedures. Training and Travel will be paid for by the Union. Requests for additional time for training will be reviewed on a case by case basis.

SECTION 3. Other.

3.1. The Union President may designate another Union Officer to act on his/her behalf when he/she will be in a leave status. The Union will provide notice to the Civilian Personnel Office as soon as possible. The designated "President" will be authorized to use the amount of Official Time in effect as described in paragraph 2.1. There will be a bank of 176 hours to be utilized for this purpose.

3.2. For work centers where there is more than one union official/steward, the Union understands the absence of more than one representative at the same time may cause a negative impact to the mission and will therefore minimize such absences.

3.3. The Union agrees whenever business of any nature is transacted during duty hours, only that amount of time necessary to bring about prompt and expeditious disposition of the matter will be utilized. The Union further agrees to guard against the use of excessive time and to conduct authorized business in an efficient manner.

3.4. When meeting an employee at the employee's work center, the union officer or steward must first make arrangements with the employee's supervisor, who will attempt to identify a location with reasonable privacy for the employee and union steward to confer.

3.5. The union officer or steward will accomplish the authorized representational duties and return to their regular work center following completion, and inform the supervisor of their return.

3.6. Every effort shall be made by the Employer to schedule the Union President, Executive Vice President, and Chief Stewards to permanent day shift, Monday through Friday.

SECTION 4. Committees. The Union shall be given the opportunity to appoint representatives to the following committees as specified below:

4.1. The Base Level Incentive Awards Committee (1 Union representative)

4.2. The Wing Occupational Safety and Health (OSH) Council (1 Union representative)

4.3. Voluntary Protection Program (or equivalent) (2 Union representatives)

4.4. Labor Management Forum and Sub Labor Management Forums (in accordance with the applicable Charters)

SECTION 5. Coordination and Documentation of Official Time.

5.1. Both the Union and the Employer recognize the Employer's obligation to assure official time allowed for the duties described in this Article is accounted for properly and therefore agree official time must be requested and documented appropriately.

5.2. The Union agrees that Union officers and stewards will coordinate the use of official time as far in advance as practicable or as soon as known with their respective supervisor.

5.3. This coordination will include:

1-purpose of the request (as described in Section 1 above);

2-timekeeping code (as described in Section 5.8 below);

3-estimated time of departure and return;

4-estimated length of official time, i.e., 1 hour, 2 hours;

5-the location/destination where the official may be found, and

6-a means to contact the official if needed, i.e., phone number, point of contact.

5.4. When available, coordination of official time will be completed electronically and submitted to the Employer through the immediate supervisor. If electronic means are unavailable, verbal contact will be made with the supervisor and followed by electronic notification as soon as available.

5.5. The Employer understands that issues or events will occur with short notice that require the union officials' prompt attention. If any conflict arises on official time, Union officers/stewards will work out a mutually agreeable solution with the respective immediate supervisor.

5.6. Union representatives will obtain approval to use official time from the Employer through the supervisor before leaving their assigned duty station. If the Employer denies any request for official time due to an urgent workload, the supervisor will immediately notify the requestor verbally and follow-up with documentation of the reason(s) for the denial. Normally, the requested time will be granted within 24 hours of any denial.

5.7. When it becomes known that more official time is needed than originally approved, the Union official will make a reasonable effort to contact their supervisor and request additional official time. Upon completion of the task giving rise to the use of official time the representative will return to their respective work center and report the actual amount of official time they used to the immediate supervisor or designee.

5.8. Timekeeping Codes. It is agreed and understood that all official time that is authorized for appropriate Labor-Management activities and representational activities shall be charged to an appropriate Representational Code. The following representational codes will be used for official time:

- BA: Term Negotiations
- BB: Mid-term Negotiations
- BD: Labor Management Relations
- BK: Grievances

5.9. The Union President and the Civilian Personnel Office will review the use of official time on a quarterly basis.

ARTICLE 6

EMPLOYEES' RIGHTS

It is agreed that employees in the Unit as defined in Article 1, Section 2, shall have the right to form, join or assist any labor organization, or to refrain from any such activity, freely and without fear of penalty or reprisal, and each employee shall be protected in the exercise of such right. Except as otherwise provided by 5 U.S.C. Sec. 71, such right includes the right:

1. To act for a labor organization in the capacity of a representative and the right, in that capacity, to present the views of the labor organization to heads of agencies and other officials of the Executive Branch of the government, the Congress, or other appropriate authorities; and,
2. To engage in collective bargaining with respect to conditions of employment through representatives chosen by employees under the provisions of 5 U.S.C. Sec. 71.

ARTICLE 7

RIGHTS OF THE EMPLOYER

SECTION 1. It is agreed and understood that the Employer retains the right:

1.1. To determine the mission, budget, organization, number of employees, and internal security practices of the agency;

1.2. In accordance with applicable laws:

1.2.1. To hire, assign, direct, layoff, and retain employees in the Agency, or to suspend, remove, reduce in grade or pay, or take other disciplinary actions against such employees;

1.2.2. To assign work, to make determinations with respect to contracting out, and to determine the personnel by which Agency operations shall be conducted;

1.2.3. With respect to filling positions, to make selections from among properly ranked and certified candidates for promotion, or any other appropriate source; and,

1.2.4. To take whatever actions may be necessary to carry out the Agency mission during emergencies.

SECTION 2. Nothing in this agreement shall preclude the Employer and the Union from negotiating:

2.1. At the election of the Employer, on the numbers, types, and grades of employees or positions assigned to any organizational subdivision, work project, or tour of duty, or on the technology, methods, and means of performing work;

2.2. Procedures which management officials of the agency will observe in exercising any authority under this section; or,

2.3. Appropriate arrangements for employees adversely affected by the exercise of any authority under this section by such management officials.

SECTION 3. The Parties agree that nothing in this Agreement shall be interpreted to apply to matters outside the bargaining unit, as defined in Article 1, or to limit or restrict the Employer's right to manage or make decisions regarding non-bargaining unit personnel or positions.

SECTION 4. The provisions of this article shall apply to all agreements between the Parties.

ARTICLE 8

DECISION MAKING TECHNIQUES (CONSENSUAL METHOD OF INTEREST BASED BARGAINING (IBB))

SECTION 1. The Parties will work collaboratively toward common goals. Resolutions on negotiable issues will normally be based on consensus. The Parties agree to openly share all pertinent information (including financial data) to the extent not prohibited by law and within the provisions of 5 U.S.C. Sec. 7114.

SECTION 2.

2.1. To successfully implement IBB and to improve the quality of the decision-making process, the following guidelines are suggested:

2.1.1. Proposals/options shall be evaluated against agreed upon criteria such as, are they fair, equitable, workable, legal, affordable, etc.

2.1.2. The joint effort shall be aimed at discovering the best equitable resolution while satisfying the interests of all Parties.

2.1.3. Focus on understanding, clarifying, analyzing and defining the problems.

2.1.4. Provide for integration of all interests. Strive for broadly-supported solutions to workplace issues and for high-quality outcomes.

2.1.5. The emphasis shall be on discussion rather than debate of solutions.

2.1.6. Any of the Parties blocking a potential solution must make a good-faith effort to offer alternatives.

2.1.7. The Parties reach consensus when all members can "live with" a single alternative.

2.1.8. When all avenues toward resolution have been exhausted and the Parties cannot reach consensus, they shall request a mediator to facilitate the process, the last step of which involves impasse proceedings before the Federal Service Impasses Panel (FSIP), which may include final and binding arbitration under procedures approved by the Panel.

2.2. All consensus resolutions shall be committed to a written agreement between the Parties and remain in full force and effect unless modified by the Parties. The Party seeking the modification(s) will furnish the other Party a written notice listing the provision(s) the Party wishes to modify or cancel and/or briefly describing any new provisions it may wish to bargain.

ARTICLE 9

SENIORITY ROSTER

SECTION 1. Each supervisor will establish and maintain a seniority roster of bargaining unit employees based on their Service Computation Date-Leave (SCD-LV) to be used for the purposes of determining overtime, shift assignments, leave, vacation scheduling, and additional work details.

SECTION 2. Use of the seniority roster will be addressed in applicable articles.

ARTICLE 10

POSITION DESCRIPTIONS

SECTION 1. General.

1.1. The employee's official position description (such as AF Form 1378 and AF Form 1003) describes major duties and responsibilities. A position description does not list every task that an employee may be assigned. It shall reflect those duties and responsibilities that are pay plan, title, series, grade controlling and all other duties that are important enough to include as part of the work requirements. The phrase "other duties as assigned" shall not be used as a basis for the assignment of duties to employees which are unrelated to the principle duties of their position except in extraordinary circumstances.

1.2. Each employee shall be provided with a copy of their position description. Employees are encouraged to discuss with their supervisors any discrepancies between their position description and their actual duties assigned/performed, and it shall be the responsibility of the Employer to make adjustments where appropriate. The supervisor will advise the employee(s) of amendments/revisions to their official position descriptions and will discuss the changes with the employee. It is the supervisor's responsibility to ensure that a copy of the revised position description is given to the employee, and a copy provided to the Union upon request.

SECTION 2.

2.1. The Employer has the responsibility of assuring the major duties and responsibilities assigned to an employee, and thus constitute the employee's job, are properly set forth and described in the employee's official position description. A bargaining unit employee who believes his/her position description is inaccurate should first meet with the supervisor for the purpose of reviewing the position description.

2.1.1. If, as a result of this meeting, it is determined the position description requires change, an amendment or new position description shall be prepared and forwarded to the Civilian Personnel Office. The Civilian Personnel Office will review the updated position description and follow established procedures to determine any classification impact.

2.1.2. If, as a result of the meeting, the employee disagrees with the accuracy of the employee's position description, the employee can take their concerns to their Union representative or elevate the concern to the next level of supervision.

2.2. Should an employee be dissatisfied with the classification of an accurate and current description of his/her duties (position description), the supervisor will, if desired by the employee, arrange a meeting with appropriate representatives of the Civilian Personnel Office for the purpose of reviewing applicable classification standards. If there is still disagreement, the employee has the right to file a classification appeal. The appeal process includes the right to representation.

SECTION 3. Changes.

3.1. The Employer will inform the Union in writing as soon as possible when significant changes (such as reorganization, reductions in force (RIF), or changes in work assignments) will be made in the duties and responsibilities of positions held by bargaining unit employees.

3.2. The Employer will notify the Union of position classification changes to bargaining unit jobs.

ARTICLE 11

LIMITED DUTY ACCOMMODATIONS

SECTION 1. An employee who is temporarily incapable of full performance of the duties of his/her position may request a temporary period of limited/light/restricted duty by submitting medical certification defining the nature and anticipated duration of the limited/light/restricted duty. The employee's medical certificate must indicate that the employee is fit to work but is temporarily unable to fully perform all of the duties and responsibilities of his/her official position (e.g., because of clearly documented medical limitations the employee is capable of performing only some of his/her official duties and/or for only a portion of the full work day/work week). The Employer agrees, in accordance with applicable regulations, workload, and staffing limitations, to make every reasonable effort to place the employee in his/her own modified or other suitable position. Telework may be a suitable option to consider for temporary, limited-duty accommodation and may be considered on a case-by-case basis.

SECTION 2. When appropriate medical documentation indicates a temporary condition as set forth above with an extended inability to perform (not expected to be corrected within 30 calendar days of limited duty assignment), the employee may request an extension of light/limited/restricted duty, sick leave, or extended LWOP.

SECTION 3. When medical evidence indicates a permanent or long-term (12 months or more, or indefinite) disability, the employee may file for disability retirement, request reassignment and/or change to lower grade, retire, resign, etc., looking toward effecting a long-term or permanent official action in his/her case.

ARTICLE 12

ASSIGNMENT OF EMPLOYEES

SECTION 1. The Employer retains the right to assign work in the manner considered best to maintain the efficiency of operations. However, should a problem arise with respect to the propriety of a work assignment affecting employees of the unit, the Union may bring the matter to the attention of appropriate officials of the Employer. The Employer agrees to discuss appropriate arrangements (see Glossary) and consider the recommendation of the Union.

SECTION 2. Temporary Promotions and Details.

2.1. "Temporary promotion" is defined as a temporary assignment to a higher grade position with a change in pay; employee must meet qualifications and time-in-grade restrictions, including positive

education, license, or certification requirements. The Employer agrees that when it is necessary to assign a bargaining unit employee to perform the duties and responsibilities of a higher grade position, the employee selected shall be qualified for and temporarily promoted to such higher grade position in accordance with applicable rules and regulations. This does not apply to brief periods, less than 30 days, i.e., when a supervisor is unavailable due to leave, temporary duty, illness, etc.

2.2. "Detail" is defined as a temporary assignment to another position (same, lower, or higher grade) without change in pay; employee does not need to meet qualifications or time-in-grade restrictions, except for positive education, license, or certification requirements. When there are no qualified employees in the work center where a vacancy exists, a detail may be considered. Details in excess of 30 days will be recorded and maintained as a permanent record in official personnel folders.

2.3. No temporary promotion or detail will be made to evade or compromise the principle of recruitment through open competitive principles of the merit system or the principles of job evaluation. The Employer assumes the responsibility for keeping details within the shortest practical time limits and for a continuing effort to secure necessary services through the use of appropriate personnel actions.

2.4. If a temporary promotion or detail of more than 120 days is made to a higher grade position it must be made under competitive promotion procedures.

2.5. At the end of a temporary promotion or detail, the employee will be returned to his/her permanent position of record.

SECTION 3. Consistent with operating needs, the Employer will attempt to assign work reasonably related to an employee's position and qualifications. The Employer further agrees not to make work assignments based on non-merit factors, i.e., favoritism, nepotism, personal friendship, political considerations, etc. The Parties agree that an alleged violation of this contract provision does not give an employee a basis to refuse to perform any work assignment. Alleged violations may be submitted for processing through the appropriate statutory procedure or negotiated grievance procedure.

ARTICLE 13

REDUCED OPERATIONS

SECTION 1. The Parties acknowledge that because dismissal of personnel constitutes a costly expenditure of public funds, this policy will be invoked when necessary in the interest of the mission at Dover AFB and to ensure a reasonable safeguarding of the well-being of the employees. The Employer acknowledges the decision to dismiss personnel should be made before conditions deteriorate to such a degree that they may jeopardize the well-being of employees.

SECTION 2. When conditions dictate, the Employer may reduce operations by closing all or part of Dover AFB. The Union, Management, and employees will be informed as necessary. Off-duty employees will be responsible for monitoring media announcements and be expected to report for work as scheduled unless announced or notified otherwise. Announcements will be released to designated media sources. The Employer will inform the employees annually of the designated media sources. Any changes to designated media sources will be relayed to the employees, as they become known.

SECTION 3. Definitions. The Parties agree that certain operations are necessary to maintain services. Positions will be identified by category as Emergency or Mission Essential Level (MEL) 1, 2, or 3 dependent upon the type of services they provide. In determining employee categories, the Employer shall consider, to the extent possible, any personal factors such as family situations, distance of travel to and from work, employee health problems, etc., in a fair and equitable manner.

3.1. Emergency Essential – Employees who provide emergency services. Emergency essential employees are expected to remain at or report for duty, regardless of the conditions or weather situation. Typically, these are medical personnel, police officers, snow removal crews, food service workers and others designated by commanders/equivalent management official. Emergency employees may not be granted administrative leave.

3.2. Mission Essential Level 1 (MEL1) – Employees who provide base civil engineer support services. (These employees are not limited to 436 CES.)

3.3. Mission Essential Level 2 (MEL2) – Employees who provide essential services for both flight line and non-flight line operations.

3.4. Mission Essential Level 3 (MEL3) – Employees who provide services that may be postponed until weather/operational conditions improve or change. Employees in training/school on Dover AFB will normally be considered MEL3 unless recalled to work by their supervisor, or training is terminated/suspended. In the latter event, the employees are responsible for contacting their work center supervisors.

SECTION 4. The Employer agrees that those individuals designated as MEL 1, 2, or 3 employees will be placed on administrative leave when dismissed due to reduced operations or when their services are not required by Dover AFB. When mission requirements change and the base resumes normal operations, employees in all MEL categories will report to work in accordance with instructions from their work center supervisor or media broadcasts. If instructions differ, supervisory instructions prevail. Employees in MEL categories may be required, based on an assigned MEL number, to remain at or report for duty on an as-needed basis to accomplish necessary mission operations.

SECTION 5. For employees who are detained for work and are unable to leave the installation during/after their tour of duty due to climatic conditions, the Employer will arrange for food, lodging, emergency medical care and transportation on the installation. All costs and medical care provided will be in accordance with regulations and controlling directives.

SECTION 6. For events other than hazardous weather, the Employer will determine which employees are required to perform certain operations. That determination may cause a temporary change in the employee's MEL category for that event.

ARTICLE 14

CONTRACTING OUT (A-76)

SECTION 1. The Employer will notify the Union within 30 calendar days of receipt of notification to study the possibility and feasibility of contracting out of bargaining unit work. The Employer will extend an invitation to meet with the Union prior to employee notification. The Employer will provide the Union with the milestone dates for major events and revisions thereof when they become available. The Union will be invited to attend the initial meeting with the affected employees prior to the start of preparation of the Performance Work Statement (PWS) and Management Cost Study (MCS). The views of the Union will be taken into consideration in the development of the PWS and the MCS. The Employer will accept constructive inputs from the Union up to thirty (30) calendar days prior to the estimated base-level approval date of the MCS.

SECTION 2. The Union will be provided an opportunity to have a representative actively participate at the bid opening when bid opening procedures permit. A copy of the in-house cost estimate and all supporting documentation will be available for review by the Union in the contracting office after bid opening.

SECTION 3. Within fifteen (15) calendar days of receipt of contract approval from higher headquarters, the Employer will notify the Union of the final decision on contracting out of work performed by bargaining unit employees. The Employer will extend an opportunity to the Union to meet and negotiate appropriate arrangements for affected employees in the bargaining unit.

SECTION 4.

4.1. The Union may have one representative participate on the PWS team, and one representative on the Most Efficient Organization (MEO) team.

4.2. The Union may request any relevant and unrestricted information which is available openly in the public domain concerning contracting out affecting the bargaining unit employees. The Employer may consider Union recommendations concerning most efficient operations.

4.3. When local training (on Dover AFB) is provided to the competitive sourcing management steering group, the Union will be offered two training quotas for the sessions. If training is off-base, the Union will be offered one training quota on official time.

SECTION 5.

5.1. The Union will be provided the opportunity for a Union representative on official time to attend the “pre-bid tour” of the function undergoing a cost study. A Union representative will be given the opportunity to attend public bid openings and review in-house estimates after the bid opening on official time.

5.2. Should the solicitation result in the function being contracted out, the rules and regulations regarding Reduction-In-Force (RIF) will apply.

5.3. The Employer will inform the affected employee(s) of the “right of first refusal” in accordance with FAR 52.207-3 and applicable laws, rules and regulations. The Union will also be notified. This article is covered by its own dispute/appeal process.

ARTICLE 15

REDUCTION-IN-FORCE (RIF)

SECTION 1. The Employer will keep the Union abreast on pre-RIF actions.

SECTION 2. MAJCOM or higher authority normally directs position losses that may result in a Reduction in Force (RIF). The Employer will ensure the Union is notified of upcoming position losses that may result in a RIF. Procedures relating to Reductions-in-Force (RIF) will be governed by DoD procedures in accordance with 10 U.S.C., Section 1597(f), and any applicable government-wide regulation or agency directives in accordance with DoD procedures.

SECTION 3. The Employer agrees to request approval from the appropriate level to use separation incentives to help prevent the separation of employees as the result of RIF procedures.

SECTION 4. The Employer will provide RIF notification to the affected employees 60 calendar days in advance. The Union will be provided a copy of the employee RIF notice either prior to, or at the same time, the employees are formally notified.

SECTION 5. The Employer agrees to grant a reasonable amount of duty time for displaced employees, after coordination with the supervisor, to participate in the Interagency Career Transition Assistance Program (ICTAP) for surplus and displaced federal employees program.

ARTICLE 16

MERIT PROMOTION

SECTION 1. The employees of Dover AFB will be informed annually about the merit promotion program in accordance with applicable laws, rules, and regulations.

SECTION 2. The Employer will give consideration to bargaining unit employees when filling permanent vacant positions. Vacancies concerning Air Reserve Technician Officer positions are excluded.

SECTION 3. The Parties encourage the use of interviews as a valuable tool to determine the best candidate when filling a vacancy. If the selecting official chooses to interview, he/she may interview one or more of the candidates on the certificate. It is recommended that the top candidates be interviewed. It is not required that candidates be interviewed, but for those who are, the same interview questions will be used.

SECTION 4. All employees considered for a vacancy will be notified of selection or non-selection. If requested, a non-selected employee will be informed of the reason for the non-selection.

ARTICLE 17

PERFORMANCE MANAGEMENT PROGRAM

SECTION 1. General.

1.1. The Union and the Employer recognize and endorse the concept that performance management is a continuous, systematic process by which managers and supervisors integrate the planning, directing, and executing of organizational work with the civilian personnel performance appraisal, pay, awards, promotion, employee development and other programs. Supervisors organize work, make specific assignments, assign duties and tasks, and establish standards to follow when accomplishing the work.

1.2. The main emphasis of this program is day-to-day interaction among employees and supervisors which includes the implementation of modern and flexible work practices. Informal performance discussions are a standard part of the performance management program and are encouraged throughout the appraisal cycle. Discussions may consist of verbal feedback sessions, regular one-on-one meetings, impromptu feedback/recognition, etc. Discussions may be initiated by the supervisor or employee.

1.3. This Article is to be used in conjunction with DoD and Air Force Instructions except as modified by this Article.

SECTION 2. Training. New supervisors and employees are responsible for completing available training on the performance management program within 60 days of assignment.

SECTION 3. Performance plan development. Individual employee work requirements and performance expectations will be documented in writing and communicated to the employee. The purpose of this discussion/ communication is to ensure there is a clear and common understanding between the employee and the supervisor of what is expected of the employee concerning his/her duties, responsibilities, and performance expectations.

3.1. Supervisor's Responsibilities.

3.1.1. Supervisors will provide work requirements and performance expectations to their employees within 30 calendar days of: (1) assignment, (2) new supervisor, or (3) the commencement of a new appraisal period.

3.1.2. The supervisor shall assure the employee is apprised of DoD Core Values and the organization's mission and goals. Supervisor will initiate a dialogue with the employee to discuss the employee's duties and responsibilities in relation to the mission and organizational objectives.

3.1.3. The supervisor shall encourage employee participation/dialogue/feedback in establishing/revising performance plans with the goal of reaching a clear and common understanding concerning performance expectations.

3.1.4. While the supervisor is responsible for considering the employee's input into the work requirements and performance expectations, the supervisor will ultimately develop and approve the performance elements and standards.

3.1.5. The supervisor will document the work requirements and performance expectations in writing in accordance with the Performance Plan – Documentation Section below.

3.1.6. The second-level supervisor shall review the performance plan for employees and sign the form in accordance with the Performance Plan – Documentation Section below.

3.1.7. If, in determining the work requirements and/or performance expectations, it is necessary to update the position description or core document, i.e., AF Form 1378 or AF Form 1003, the supervisor should contact the Civilian Personnel Office.

3.2. Employee's Responsibilities.

3.2.1. Employees should provide input to the supervisor concerning work requirements and performance expectations, recognizing the supervisor ultimately develops and approves the performance elements and standards.

3.2.2. Employees should carefully review performance expectations provided by the supervisor and ask questions, seek clarification, and attempt to reach a clear and common understanding concerning performance expectations.

3.3. Performance Expectations.

3.3.1. Performance expectations (also known as "elements" and "standards") are based on the duties of the position which are identified in the position description, i.e., AF Form 1378 or AF Form 1003. If the position description needs to be updated, the supervisor should contact the Civilian Personnel Office for guidance. See Article 10, Position Descriptions.

3.3.2. Performance elements describe the expectations related to the work to be performed. All performance elements must be critical and clearly aligned with organizational goals. A critical element is a work assignment or responsibility of such importance that unacceptable performance on the element would result in a determination that an employee's overall performance is rated as "unacceptable."

3.3.3. Performance standards describe how the requirements and expectations provided in the performance elements are to be evaluated.

3.3.3.1. Performance standards articulate how an employee is to accomplish the duties of their position, usually described in terms of quality, quantity, timeliness, and manner of performance.

3.3.3.2. Performance standards can identify specific goals/objectives, measurements, and/or timeframes.

3.3.3.3. Performance standards should be achievable, realistic, yet challenging and can be accomplished with the resources, personnel and time available.

3.3.3.4. Performance standards identify how well an employee must perform his/her job to achieve performance at the “fully successful” level.

3.3.4. Performance expectations should be fair and applied specifically to employee(s) so that individual job performance can be properly evaluated.

3.3.5. Changes in performance expectations are permitted; see the DoD and AF Instructions concerning modifying the performance plan for details. Consult with the Civilian Personnel Office prior to implementing changes.

3.4. Developing and Delivering Performance Plan with Performance Expectations.

3.4.1. The supervisor must solicit input/comments/feedback from the employee(s) and provide adequate time for the employee to respond, i.e., not less than 3 days.

3.4.2. When the employee provides input to the supervisor, the supervisor and employee shall engage in meaningful dialogue for the purpose of reaching a clear and common understanding concerning performance expectations.

3.4.3. The employee shall be considered to have provided input if the employee does not respond to the supervisor’s request for input/comments/feedback.

3.4.4.4. With supervisory approval, a group of employees assigned to the same/similar position description could meet to develop performance expectations for presentation to the supervisor. (Note: Critical elements are only used to measure individual performance; critical elements must not be established for team performance.)

3.4.5. The supervisor holds a meeting with the employee to deliver the performance plan with performance expectations, with the goal of reaching a clear and common understanding concerning performance expectations. When a face to face meeting is not possible, other forms of communication should be considered, i.e., telephone, Skype, Lync, etc.

3.4.6. Formal performance meetings will normally be held between the rating official and the employee. If more than one agency official participates in a formal performance meeting with an employee, the employee will first be informed of the meeting and be given an opportunity to have a union representative present in sufficient time to arrange for a representative to attend if they so choose.

3.5.5. The supervisor will annotate the Supervisor's Employee Work Folder with a statement similar to the following: "The employee was given the opportunity to provide input/comments/feedback previously on [date, i.e., 4 Apr] and discussed on [date, i.e., 12 Apr]. Supervisor and employee reviewed/signed performance plan outlining expectations on [date, i.e., 25 Apr]." Both supervisor and employee initial/date the entry.

ARTICLE 18

UNACCEPTABLE PERFORMANCE

SECTION 1. General.

1.1. Both Parties recognize: (1) employees are expected to perform assigned duties and responsibilities at an acceptable level of performance, (2) supervisors are responsible for communicating performance expectations to employees, and (3) continued communication is the key to prevent poor performance. This Article is to be used in conjunction with DoD and Air Force Instructions except as modified by this Article.

1.4. Any action based on unacceptable performance will be fair, equitable, and administered as timely as possible.

1.5. Supervisors must follow Article 17 when evaluating an employee's performance and follow steps below when an employee's performance is unacceptable:

1.5.1. Conduct informal performance discussion(s) with the employee (see Section 2 below)

1.5.2. Provide progress reviews to the employee (see Article 17, Section 4)

3.4. The PIP shall describe what the Employer will do to assist the employee to improve the unacceptable performance. Assistance may include but is not limited to closer supervision and counseling, personal demonstration, supervisory or peer coaching, frequent reporting, special assignments, and on-the-job or formal training.

3.5. Throughout the performance improvement period, the supervisor will provide frequent feedback (such as daily or weekly) to the employee, reviewing the PIP and the employee's performance.

3.6. At the conclusion of the PIP:

3.6.1. If performance improves to a “fully successful” level, the supervisor will document the acceptable performance and document it in the Supervisor’s Employee Work Folder.

3.6.2. If performance remains at an “unacceptable” level, the supervisor will initiate a performance-based action in accordance with the guidance in Section 4 below.

SECTION 4. Taking performance-based action. If an employee’s performance does not improve to a “fully successful” level after following the steps above, the Employer will initiate a performance-based action, such as reassignment, change-to-lower-grade, or removal, using the guidance below.

4.1. Notice of Proposal. Written notice of proposal to reassign, change-to-lower-grade, or remove an employee for “unacceptable” performance will include the following:

4.1.1. A statement the proposed action will not occur in less than 30 calendar days from the date of the notice of proposal (providing the employee 30 days advance written notice of the performance-based action); and,

4.1.2. Critical element(s) (including specific examples) of “unacceptable” performance by the employee on which the proposed action is based. These should be directly related to the performance standards identified in the PIP; and,

4.1.3. A statement of the employee’s right to be represented; and,

4.1.4. A statement of the employee’s right to respond orally and/or in writing within 15 work days. If the employee elects to make an oral reply, a copy of any official record of the oral reply will be provided to the employee or the Union upon the employee’s request. An employee may request an extension to respond to the proposal; and,

4.1.5. A statement of the employee’s right to review and/or request the material relied upon to support the reasons and specific examples in the notice of proposal. Upon request, Management will provide all documentation and supporting evidence to the employee.

4.2. Notice of Decision. When a supervisor sustains the proposed reasons against an employee and the action is supported by substantial evidence, the management official who is in a higher position than the person who proposed the action will render a final decision as soon as possible after the notice period expires.

4.2.1. The written notice of decision concerning the proposal to reassign, change-to-lower-grade, or remove an employee for “unacceptable” performance will include the following:

4.2.1.1. The specific instances of “unacceptable” performance on which the performance-based action is based; and,

4.2.1.2. Consideration of any reply furnished by the employee or the employee’s representative, including medical documentation. This will address factual disputes, if any, raised in the employee’s reply by stating the reasons why each factual dispute was rejected; and,

4.2.1.3. Effective date of the performance-based action; and,

4.2.1.4. Appeal and/or grievance rights and eligibility for disability or discontinued service retirement, if applicable; and,

4.2.1.5. The final decision of performance-based action, i.e., reassignment, change-to-lower-grade, or removal.

4.2.2. All documentation in reference to the “unacceptable” performance will be removed from the employee's records when all of the following conditions are met:

4.2.2.1. Performance improves to a “fully successful” level during the notice period, AND

4.2.2.2. The decision is made not to remove the employee from the position due to “unacceptable” performance, AND

4.2.2.3. Performance continues to be acceptable for 1 year from the date of the advance notice, i.e., Notice of Proposal.

ARTICLE 19

DISCIPLINARY AND ADVERSE ACTIONS

SECTION 1. General.

1.1. Miscellaneous.

1.1.1. This article applies to bargaining unit employees who have completed their probationary or trial period except to the extent prohibited by law.

1.1.2. If requested by the employee, the supervisor will grant the employee a reasonable amount of duty time to prepare and present the employee’s response(s) to a proposed disciplinary or adverse action.

1.1.3. Where disciplinary or adverse action is warranted, the Employer will administer disciplinary and/or adverse action necessary.

1.1.4. The concept of constructive discipline will guide managers in making decisions regarding discipline. Constructive discipline is preventive in nature and is designed to develop, correct and rehabilitate employees; to encourage employees to accept responsibility for their behavior/conduct; and to prevent situations where no alternative to taking discipline exists. As part of the constructive disciplinary process, supervisors and managers may apply increasingly more severe penalties as the employee continues to breach the employee-employer relationship, also known as “progressive discipline.” Nothing in this section prevents the Employer from taking adverse action for a first offense when warranted.

1.1.5. No bargaining unit employee will be the subject of disciplinary or adverse actions except for just and sufficient cause (determined by the Employer) that will promote the efficiency of the service.

1.1.6. Discipline will be administered as timely as possible.

1.1.7. Inquiries, fact-gathering, and the implementation of informal or formal disciplinary or adverse actions will involve the minimum number of people necessary and be conducted privately and in such a manner as to minimize embarrassment to the employee.

1.1.8. The Parties recognize that last chance agreements are a useful tool to afford an employee an option between rehabilitation and discipline. The Employer may consider a last chance agreement as an additional tool to rehabilitate an employee.

1.2. Procedures.

1.2.1. If the employee elects to make an oral reply, a copy of any official record of the oral reply will be provided to the employee upon request.

1.2.2. The employee will receive a written decision explaining which reasons and specifications are sustained and will address factual disputes, if any, raised in the employee's reply by stating the reasons why each factual dispute was rejected.

1.2.3. The written decision will contain information about an employee's right to file a grievance under the negotiated grievance procedure.

1.2.4. The Employer must be able to prove the specific charges or reasons which form the basis for the action by a preponderance of the evidence.

1.2.5. Extensions of time frames will be afforded any Party. Amount of time frame will be upon mutual consent.

1.2.6. The employee or that employee's representative in a disciplinary or adverse action has the right to review and receive a copy, upon request, of documents relied on by the Employer to support the disciplinary or adverse action.

SECTION 2. Weingarten Rights. (Ref: 5 U.S.C. Sec. 7114 (a)(2)(B)).

2.1. The Union shall be given the opportunity to be represented at any examination of an employee in the unit by a representative of the agency in connection with an investigation if:

2.1.1. The employee reasonably believes that the examination may result in disciplinary action against the employee; and

2.1.2. The employee requests representation.

2.2. If such an examination, which may result in disciplinary action against the employee, is to occur and the employee requests representation, the supervisor or other management official will honor the request.

SECTION 3. Douglas Factors.

3.1. In deciding what action may be appropriate, the Employer will give due consideration to the relevance of any mitigating and/or aggravating circumstances.

3.2. The *Douglas* Factors (*Douglas v. Veterans Administration*), included herein for purposes of illustration, are neither meant to be exhaustive nor intended to be applied mechanically, but rather to outline the tolerable limits of reasonableness.

3.2.1. The nature and seriousness of the offense, and its relation to the employee's duties, position, and responsibilities, including whether the offense was intentional or technical or inadvertent, or was committed maliciously or for gain, or was frequently repeated.

3.2.2. The employee's job level and type of employment, including supervisor or fiduciary role, contacts with the public, and prominence of the position.

3.2.3. The employee's past disciplinary record.

3.2.4. The employee's past work record; including length of service, performance on the job, ability to get along with fellow workers, and dependability.

3.2.5. The effect of the offense upon the employee's ability to perform at a satisfactory level and its effect upon the Employer's confidence in the employee's ability to perform assigned duties.

3.2.6. Consistency of the penalty with those imposed upon other employees for the same or similar offenses.

3.2.7. Consistency of the penalty with any applicable agency table of penalties.

3.2.8. The notoriety of the offense or its impact upon the reputation of the agency.

3.2.9. The clarity with which the employee was on notice of any rules that were violated in committing the offense, or had been warned about the conduct in question.

3.2.10. Potential for the employee's rehabilitation.

3.2.11. Mitigating circumstances surrounding the offense such as job tensions, personality problems, mental impairment, harassment, or bad faith, malice or provocation on the part of others involved in the matter; and

3.2.12. The adequacy and effectiveness of alternative sanctions to deter such conduct in the future by the employee or others.

SECTION 4. Disciplinary Action.

4.1. A disciplinary action (taken by the Employer to correct an employee's delinquency or misconduct) is defined as an oral admonishment, written reprimand, or a suspension of 14 calendar days or less. No bargaining unit employee will be the subject of disciplinary action except for just and sufficient cause, (determined by the Employer) as will promote the efficiency of the service. Discipline will be administered as timely as possible.

4.2. When disciplinary action is not necessary to correct minor conduct/behavior problems, the Employer will generally use one of the following options, annotating the action in the Supervisor's Employee Work Folder (also known as the 971):

4.2.1. Positive Contact: The supervisor reviews rules, regulations, policies, and standards of conduct with the employee to convey the supervisor's expectations.

4.2.2. Coaching Sessions: The supervisor holds a low-key, structured discussion with the employee to review problems with the goal of helping the employee acknowledge the problem and agree to correct the deficiency.

4.3. Oral Admonishments. Oral Admonishments will be administered in accordance with the applicable AFI with the exception that the oral admonishment will be removed from the record after thirteen (13) months. Six (6) months from the date of the oral admonishment, an employee may request a meeting with the supervisor to discuss deletion of the oral admonishment notations from the Supervisor's Employee Work Folder. If the situation warrants, the supervisor is strongly encouraged to remove the notations.

4.4. Reprimands. Reprimands will be administered in accordance with the applicable AFI with the exception of the time limit. The supervisor will issue a written Notice of Proposal to Reprimand identifying the specific reasons for the proposed action and provide the employee five (5) work days to respond to the proposal. Twelve (12) months after an employee has received a letter of reprimand, he/she may request a meeting with the supervisor to discuss deletion of the letter of reprimand from the Supervisor's Employee Work Folder. If the situation warrants, the supervisor is strongly encouraged to remove the letter of reprimand. Either way the letter of reprimand will be removed after eighteen (18) months.

4.5. Suspensions. When the Employer proposes to suspend an employee for 14 calendar days or less, the following procedures will apply:

4.5.1. The Employer will provide the employee with a written notice of proposal to suspend stating the specific reasons for the proposed suspension.

4.5.2. The employee has the right to make an oral and/or written reply within 5 work days after the employee's receipt of the notice of proposal to suspend. If the employee elects to have Union representation, the Union will have 8 work days from the day the employee notifies the Union, to submit a response. The Union will notify the Employer of the date the employee elected Union representation as soon as practical in writing.

4.5.3. In cases where a suspension is proposed for reasons of off-duty misconduct, the Employer's written notification will also contain a statement of the nexus between the off-duty misconduct and the efficiency of the service. The notification will describe why and how there is a connection between the specific off-duty misconduct and the efficiency of the service.

4.6. Suspensions of four (4) to fourteen (14) days will be stayed pending the outcome of the grievance/arbitration procedure and/or Alternate Dispute Resolution (ADR) process, provided the Union files the grievance within three (3) work days after the employee's receipt of the letter of decision.

4.7. The employee may file a grievance concerning a suspension of 14 calendar days or less directly to the appropriate step of the negotiated grievance procedure that is one level above the deciding official for the discipline within 15 work days of the effective date, i.e., first day of such suspension. (See Article 20, Negotiated Grievance Procedure, for further details)

SECTION 5. Adverse Actions.

5.1. An adverse action, for purposes of this article, is defined as a removal; a suspension for more than 14 calendar days; a reduction in grade; a reduction in pay; and a furlough of 30 calendar days or less of a full-time employee. This article does not apply to a reduction in grade or a removal based on unacceptable performance as defined in 5 U.S.C. Sec. 4303 (see Article 18 – Unacceptable Performance).

5.2. Unless there is reason to believe the employee has committed a crime for which a sentence of imprisonment may be imposed, the employee will be given a notice stating the specific reasons for the proposed action 30 calendar days in advance of the action.

5.3. The employee has the right, but is not obligated, to make an oral and/or written reply within 30 calendar days after the employee's receipt of the letter of a proposed action.

5.4. In cases where an adverse action is proposed for reasons of off-duty misconduct, the Employer's written notification will also contain a statement of the nexus between the off-duty misconduct and the efficiency of the service. The notification will describe why and how there is a connection between the specific off-duty misconduct and the efficiency of the service.

5.5. If the Employer's final decision is to effect an adverse action as described in this article, the employee may appeal the decision to the Merit System Protection Board (MSPB) in accordance with applicable law, or file a grievance under the negotiated grievance procedure, but not both.

ARTICLE 20

NEGOTIATED GRIEVANCE PROCEDURE

SECTION 1. The purpose of this Article is to provide an orderly procedure for prompt and equitable settlement of grievances of the Parties and unit employees.

SECTION 2. A grievance means any complaint:

2.1. By a unit employee(s) concerning any matter relating to the conditions of employment of the unit employee(s);

2.2. By the Union concerning any matter relating to the employment of any employee (s), or

2.3. By a unit employee(s), the Union, or the Employer concerning:

2.3.1. The effect or interpretation or a claim of breach of this Agreement;

2.3.2. Any claimed violation, misinterpretation, or misapplication of any law, rule, instructions, or regulation affecting conditions of employment.

SECTION 3. Exclusions. The Negotiated Grievance Procedure will not cover/pertain to grievances or appeals concerning:

3.1. Any claimed violation of Sub Chapter III of Chapter 73 of Title 5 U.S.C. relating to prohibited political activities, 5 U.S.C. Sec. 7121(c)(1)

3.2. Retirement, life insurance, or health insurance, 5 U.S.C. Sec. 7121(c)(2)

3.3. A suspension or removal under 5 U.S.C. Sec. 7532, 5 U.S.C. Sec. 7121(c)(3)

3.4. Any examination, certification, or appointment, 5 U.S.C. Sec. 7121(c)(4)

3.5. The classification of any position which does not result in the reduction in grade or basic pay of an employee, 5 U.S.C. Sec. 7121(c)(5)

3.6. Issues concerning the non-selection for promotion from among a group of properly ranked and certified candidates for a position, 5 U.S.C. Sec. 7106 a.2.(c)

3.7. The amount or type of award, or if an award is granted/not granted, when the appropriate process is followed.

3.8. The separation, termination, or removal of an employee serving a trial or probationary period.

3.9. A preliminary warning or notice of specific action, which if effected, would be covered under the negotiated grievance procedure or appeal process, e.g., a notice of proposed suspension.

3.10. Any matter which has been raised under a statutory procedure prior to being submitted in writing in accordance with the provisions of this article, 5 U.S.C. Secs. 7121 (d) and (e) (see Section 4).

SECTION 4. Election of Procedure. An aggrieved employee affected by an alleged prohibited personnel practice, as defined in 5 U.S.C. Sec. 2302; a removal or reduction in grade based on unacceptable performance, 5 U.S.C. Sec. 4303; or an adverse action under 5 U.S.C. Sec. 7512, may raise the matter under a statutory appellate procedure or the negotiated grievance procedure but not both. For the purpose of this section and pursuant to 5 U.S.C. Sec. 7121, an employee shall be deemed to have

exercised this option when the employee files a timely notice of appeal under the appellate procedure or files a timely grievance in writing under the negotiated grievance procedure.

SECTION 5. Grievance decision and question of grievability.

5.1. Any decision rendered in connection with the grievances shall be consistent with the terms of this agreement.

5.2. If, at any step of the grievance procedure, either Party declares a matter to be non-grievable or non-arbitral, the Parties will promptly meet to resolve the issue.

5.3. In the event an agreement on the grievability/arbitrability of the matter is not reached and the matter is referred to arbitration (following the procedures in Article 21, Arbitration), the matter of grievability/arbitrability will be included in the submission of the issue subject to arbitration as a threshold issue.

SECTION 6. Communication. In an effort to facilitate effective communication, the grievant and/or their representative will communicate known concerns related to the grievance to the other Party. This will provide the Parties the opportunity to attempt to resolve each and every concern at the lowest practical level.

SECTION 7. Representation. An employee using this negotiated grievance procedure may elect the following:

7.1. An employee may elect to be represented by the Union; or

7.2. An employee may elect to represent themselves without benefit of representation. The following conditions apply to those grievances submitted by an employee who elects not to have Union representation:

7.2.1. The employee must notify the Union and the Civilian Personnel Office in writing of their election to utilize the Negotiated Grievance Procedure and to self-represent without benefit of Union representation.

7.2.2. The employee may represent himself/herself through the entire process, or at any time prior to arbitration, they may elect Union representation in writing;

7.2.3. The Union shall be advised of the grievance and be provided a copy at that time.

7.2.4. The Union will be provided the opportunity to be present at the presentation of each step of the grievance process to protect the interests of the bargaining unit.

7.2.5. The Union recognizes employees' need for privacy and agrees to maintain the confidentiality of the employee.

7.2.6. The Employer will provide a copy of any grievance response(s) to the Union.

7.2.7. Self-represented cases will not be precedent setting for either Party unless mutually agreed.

SECTION 8. Timeframes.

8.1. A grievance under this article will be taken up by any Party (i.e., the employee, the Union, the Employer) within 15 work days after the occurrence of the event or within 15 work days of when the grievant reasonably knew of the matter out of which the grievance arose. (See Article 19, Disciplinary and Adverse Actions, for information on grievances concerning a suspension of 14 calendar days or less.)

8.2. Grievances not taken up within the time frames specified will not be presented nor considered at a later date.

8.3. If the Union and Management have been actively attempting to informally resolve the grievance and resolution is not met within 15 work days of the event (as described in 8.1. above), the time frame for filing the grievance may be extended by 5 work days.

8.4. When a meeting is requested, at any stage of the grievance process, every attempt will be made to schedule/hold the meeting within two (2) work days, but not more than five (5) work days, of receipt of the grievance. If the Respondent is not available, an alternate person may be designated by the responding Party (at the appropriate grievance level) to hold the meeting in an effort to expedite the resolution.

8.5. The Respondent (i.e., Union or Employer) shall respond to grievances within seven (7) work days of receipt of the grievance or within seven (7) work days of the meeting (if held) at the appropriate grievance level.

8.6. If a grievance is not resolved and the grievant (i.e., employee(s), Union, Employer) elects to pursue the grievance to the next step, the grievance will be submitted in writing to the next step (i.e., Step 2 or 3) within five (5) work days of receipt of the decision. If a grievance is not resolved at Step 3, the timeframes for invoking arbitration must be followed (see Article 21).

8.7. Extensions. All extensions will be documented in writing.

8.7.1. Automatic Extensions.

8.7.1.1. Responses: An automatic extension to respond to a grievance shall be granted in the amount of three (3) work days.

8.7.1.2. Elevation of Grievance: An automatic extension to elevate a grievance to the next level shall be granted in the amount of two (2) work days.

8.7.2. Other Extensions. Requests for extensions in excess of the automatic amounts or in addition to the automatic amounts will be fully considered by and agreed upon by the Union and the Employer.

8.8. Pause for Request(s) for Information – See paragraph 9.1. below.

SECTION 9. Miscellaneous.

9.1. Request for Information. When requested by the filing Party, the responding Party will give a copy of any information relating to the grievance to the filing Party and/or provide access to review the Supervisor's Employee Work Folder(s) (aka 971) within four (4) work days of receipt of the request. The Union will provide a copy of the request to the Civilian Personnel Office and vice versa. When a request for information or a request to review the Supervisor's Employee Work Folder is made relating to the grievance, the timeframes identified in Section 8 above will be adjusted accordingly to provide time for the information requested to be received. Once the information is received, the timeframes identified in Section 8 above will resume.

9.2. Duty Time. Reasonable time during working hours will be allowed for employees to prepare and present grievances (see Article 5, Official Time, for Union representatives). A grievant involved in a meeting during the grievance process, to include appearance before a third Party, will be in a duty status for the meeting. In the case of a group grievance, one group spokesperson will be granted duty time to represent the group.

SECTION 10. Informal discussion. The Employer and the Union recognize most grievances arise from misunderstandings or disputes which can be settled promptly and satisfactorily on an informal basis at the lowest level, i.e., immediate supervisor. In the spirit of cooperation, the Parties agree to engage in dialogue at the lowest level before filing a grievance, to include administrative dispute resolution techniques. This stage is required prior to filing a grievance unless mutually agreed upon by the Employer and Union.

SECTION 11. Formal Grievance Procedures

11.1. Employee grievances. The following grievance procedure applies when an employee or a group of employees, with or without Union representation, is the grievant. The grievance will be submitted to the Employer at the appropriate level (or designee) that has authority to resolve the grievance, i.e., squadron or group commander. If the affected employees are in different groups, the grievance will be presented in writing to the Mission Support Group Commander.

11.1.1. **STEP 1.** A grievance shall be submitted in writing to the second-level supervisor.

11.1.1.1. The written grievance shall contain:

11.1.1.1.1. the name(s), organization(s) and work telephone number(s) of the grievant(s) and representatives;

11.1.1.1.2. the date of the incident, event, or matter being grieved;

11.1.1.1.3. the issue(s) to be decided;

11.1.1.1.4. the date, attendees, and other specifics of the informal discussion;

11.1.1.1.5. all information regarding the grievance known at the time the grievance is filed;

11.1.1.1.6. the provision of the agreement involved, as applicable; and,

11.1.1.1.7 a clear remedy sought.

11.1.1.2. When a meeting is requested, a meeting will be conducted prior to providing a response unless both Parties mutually agree a meeting is not necessary (see Section 8 above for applicable timeframes).

11.1.1.3. The Employer/Union will conduct an investigation or inquire to ascertain the facts.

11.1.1.4. The second-level supervisor will provide a written response to the grievant and the Union conveying the decision.

11.1.1.5. If resolution is not within the authority of the second-level supervisor, he/she will provide a written notice to the grievant and/or representative within two (2) work days of receipt of the grievance stating the grievance was referred to the official having such authority. The second-level supervisor will then forward the grievance directly to the appropriate decision authority and the procedures for that step will be followed. Any adjustments will be discussed/ agreed upon between the Union and the Civilian Personnel Office.

11.1.2. **STEP 2.** If a satisfactory settlement has not been reached at Step 1 and the grievant(s) elects to pursue the grievance, a grievance shall be submitted in writing to the Squadron Commander or the designated management official.

11.1.2.1. The written grievance shall contain:

11.1.2.1.1. all of the items identified in Step 1 above,

11.1.2.1.2. identification of items resolved at Step 1,

11.1.2.1.3. a copy of the Step 1 decision,

11.1.2.1.4. the basis for the appeal, and

11.1.2.1.5. any additional information not contained in the case record.

11.1.2.2. When a meeting is requested, a meeting will be conducted prior to providing a response unless both Parties mutually agree a meeting is not necessary (see Section 8 above for applicable timeframes).

11.1.2.3. The Squadron Commander or designated management official will provide a written response to the grievant and the Union conveying the decision.

11.1.3. **STEP 3.** If a satisfactory settlement has not been reached at Step 2 and the grievant(s) elect to pursue the grievance, a grievance shall be submitted in writing to the Group Commander or designated management official.

11.1.3.1. The written grievance shall contain:

11.1.3.1.1. all of the items listed in Step 2 above,

11.1.3.1.2. identification of items resolved at Steps 1 and 2,

11.1.3.1.3. a copy of the Step 1 and 2 decisions,

11.1.3.1.4. the basis for the appeal, and

11.1.3.1.5. any additional information not contained in the case record.

11.1.3.2. When a meeting is requested, a meeting will be conducted prior to providing a response unless both Parties mutually agree a meeting is not necessary (see Section 8 above for applicable timeframes).

11.1.3.3. The Group Commander or designated management official will provide a written response to the grievant and the Union conveying the decision.

11.2. Union grievances: When the Union is the grievant, the Union may submit the grievance to the Employer at the appropriate level (or designee) that has authority to resolve the grievance as identified in the Steps above. For example:

11.2.1. if the grievance involves employee(s) in one squadron, the grievance will be filed at the Step 2 level with the owning squadron commander;

11.2.2. if the grievance involves employee(s) in more than one squadron but within the same group, the grievance will be filed at the Step 3 level with the owning group commander; or,

11.2.3. if the grievance involves employee(s) in more than one group, the grievance will be filed at the Step 3 level with the Mission Support Group Commander.

11.3. Employer grievances: If a matter is not resolved with an informal discussion as identified in Section 10 above, the Installation Commander, or designee, may initiate a Step 3 grievance in writing to the Union President. The written grievance shall contain:

11.3.1. the name(s), organization(s) and work telephone number(s) of the grievant(s) and representatives;

11.3.2. the date of the incident, event, or matter being grieved;

11.3.3. the issue(s) to be decided;

11.3.4. all information regarding the grievance known at the time the grievance is filed;

11.3.5. the provision of the agreement involved, as applicable; and,

11.3.6 a clear remedy sought.

SECTION 12. Arbitration. If a satisfactory settlement has not been reached at Step 3, the Union or the Employer agree to give appropriate, timely notification to the other Party that arbitration is being invoked in accordance with the procedures outlined in Article 21, Arbitration.

ARTICLE 21

ARBITRATION

SECTION 1. Rights to Arbitration: A grievance submitted in accordance with this agreement, which has not been settled to the satisfaction of the grieving Party, may go to arbitration. Arbitration may be invoked only by the Union or the Employer. Approval by the employee(s) affected by, or involved in, the grievance is not required before arbitration is invoked. Arbitration may be invoked only after the negotiated grievance procedures have been exhausted.

SECTION 2. Arbitration Procedures.

2.1. Within 15 work days after receiving the other Party's final decision on a grievance, or within 15 work days after the decision was due, the Party invoking arbitration will notify the other Party in writing that arbitration is necessary. If a deadline falls on a weekend, holiday, or family day, the deadline will be the next work day.

2.2. The Union's request for arbitration must be submitted in writing to the Civilian Personnel Officer or Labor Relations Officer and be signed by the Union President or other Union officer. The Employer's request for arbitration must be submitted in writing to the Union President or Executive Vice President and be signed by the Installation Commander or designee.

2.3. On arbitral matters, within seven (7) work days from the date either Party receives an arbitration request, representatives of the Union and Employer shall meet to discuss the need for arbitration.

2.4. The Parties will endeavor to agree on a joint submission of the issue(s) being arbitrated. If the Parties agree on the issue(s) being arbitrated, and further agree that a hearing would serve no purpose, they may submit a joint submission of facts and issue(s) based on the formal grievance to the arbitrator with a request for a decision based only upon the facts thus presented. If the Parties fail to agree on a joint stipulation of the issue(s) for arbitration, then each shall submit a separate stipulation for inclusion in the request for an arbitrator.

SECTION 3. Selecting the Arbitrator.

3.1. If arbitration is determined necessary by either Party, the responsible Party (as described in Section 3.2. below) shall submit a request that the Federal Mediation and Conciliation Service (FMCS) provide a list of seven (7) arbitrators from the metropolitan area.

3.2. The Parties will alternate responsibility for paying for and maintaining the list of arbitrators. A current list of arbitrators which is valid in accordance with FMCS guidance can be used in the future upon mutual agreement.

3.3. The Parties shall meet within five (5) work days of the receipt of an appropriate list of potential arbitrators.

3.4. The Employer and Union will alternately strike one arbitrator's name from the list and shall then repeat this procedure. The remaining name shall be the dually selected arbitrator. The Party to strike first will be decided by the flip of a coin.

3.5. If for any reason, either the Union or the Employer refuses to participate in the selection of an arbitrator, the other Party may unilaterally select one of the listed arbitrators to hear the issue(s).

3.6. If for any reason the arbitrator selected is not available or unable to hear the case in a timely manner, the Parties may mutually agree to request a new list of potential arbitrators from FMCS. Follow the steps in this section to select the arbitrator.

SECTION 4. Fees and expenses. The arbitrator's fee and all expenses will be divided equally between the Parties.

SECTION 5. Arbitrator's authority and responsibility.

5.1. The arbitrator shall have the authority to determine the grievability and/or arbitrability of a matter, as a threshold issue. If the arbitrator determines there is a reasonable basis that the issue is grievable and/or arbitral, the arbitrator will hear the merits of the underlying grievance and decide the issues together.

5.2. In cases where the Parties are able to agree on the issue(s), the arbitrator's authority is limited to deciding only the issue(s) and remedies considered in the formal grievance.

5.3. In cases where the Parties are unable to agree on the issue(s), the arbitrator will help the Parties frame the issue(s) to be heard and remedy(s) sought.

5.4. An arbitrator shall not change, modify, alter, delete or add to the provisions of this Agreement; such right is the prerogative of the contracting Parties only.

5.5. The arbitrator will render his/her award within 45 calendar days after the conclusion of the hearing and receipt of any additional information requested such as post hearing briefs. This decision will be in writing and will include a statement of the basis for the decision and shall be supplied concurrently to the Employer and the Union.

5.6. The award of the arbitrator is binding on both Parties.

SECTION 6. Arbitration hearing.

6.1. No later than seven (7) work days prior to any scheduled arbitration hearing, the Parties shall meet in an attempt to agree on stipulations of fact and joint submission of pertinent case file and to exchange exhibits.

6.2. The arbitration hearing shall be held Monday through Friday during the day shift. The Parties will work together to schedule the hearing within the confines of the duty day for the purpose of maximum participation within the employee(s)' and/or representative(s)' scheduled duty day. Adjustments to the hearing schedule may be made by mutual agreement.

6.3. The employee (grievant) will be in a paid duty status while participating in the arbitration hearing.

6.4. The employee's representative and employee witnesses who are otherwise in a duty status shall be excused from duty without charge to annual leave or loss of pay while participating in the arbitration hearing.

6.5. Work schedule and/or shift change.

6.5.1. Employee(s) and/or representative(s) involved in the hearing who are scheduled to work other than the day shift may request a change in work shift to participate in the hearing without charge to leave or loss of pay, mission requirements permitting.

6.5.2. The employee(s)' and/or representative(s)' regularly scheduled duty hours may be adjusted to accommodate the hearing. For example, the duty hours for an employee regularly scheduled to work 0630-1530 could be adjusted to 0800-1700.

6.6. No overtime will be paid.

SECTION 7. Appeal of Arbitrator's award. Either Party may file an exception to the arbitrator's award with the Federal Labor Relations Authority (FLRA) pursuant to Title V and any applicable FLRA regulations.

SECTION 8. The time limits specified in this article may be extended by agreement between the Union and the Employer.

SECTION 9. Matters which may otherwise be grievable or arbitral may not be processed under this article if the matter is pending before a Court or the employee is under arrest, indictment or investigation. The arbitration process will be held in abeyance until all pending court actions are complete.

ARTICLE 22

ALTERNATE DISPUTE RESOLUTION (ADR)

SECTION 1. Alternate Dispute Resolution (ADR) encompasses a broad range of joint problem-solving processes whose basic purpose is to settle disagreements. ADR is generally those processes that are an alternative to litigation or, more broadly, to methods other than the traditionally adversarial means of dispute resolution. ADR is not, however, a substitute for litigation or other standard procedures. It is a supplement of those processes. There are certain types of issues which are simply not appropriate for ADR. Where there is a need to establish a precedent, maintain a policy position, or the desire to litigate an issue, traditional means of conflict resolution remain available.

SECTION 2. ADR emphasizes cooperation, identifies underlying interests, and affords the Parties an opportunity to discover common ground and solutions which are satisfactory to all Parties. Some examples of ADR which may or may not be used in combination include, but are not limited to: mediation, facilitation, conciliation, fact-finding, early neutral evaluation, ombudsman, non-binding arbitration, and binding arbitration.

SECTION 3. ADR may be the proper approach where a negotiated solution is potentially an acceptable outcome. ADR may be appropriate for the following situations:

- 3.1. The dispute involves factual or other issues that do not set a precedent.
- 3.2. Traditional processes appear unlikely to successfully resolve the issues.
- 3.3. The Parties want to settle the dispute quickly.
- 3.4. The Parties want to maintain, establish, or restore a good working relationship.
- 3.5. The importance of the issue is minor compared to the potential cost and disruption that would occur if traditional dispute resolution methods were employed.
- 3.6. An ADR of a neutral party or a panel of subject matter experts are more likely to understand the complexities of the case than would a judge or hearing officer.

SECTION 4. The election of ADR must be mutually agreed upon by the Union and/or employee and the Employer. The Parties will meet to determine the best ADR method to be used and work through the applicable process.

SECTION 5. Grievance Mediation. Grievance Mediation is one form of Alternate Dispute Resolution that provides a problem-solving process to prevent future and resolve current workplace disputes that are utilizing the negotiated grievance procedure. The goal is to resolve conflict and establish an atmosphere conducive to positive results.

5.1. Ground Rules.

5.1.1. Grievance Mediation may be selected one time during the negotiated grievance procedure at any stage after Step 1 is filed and prior to invoking arbitration.

5.1.2. Both Parties must enter grievance mediation with the intent to resolve the issue.

5.1.3. Selecting Grievance Mediation does not automatically extend the time-frames of the associated Steps within the negotiated grievance procedure and must therefore be used expeditiously. Parties may mutually agree to extend time-frames in an effort to reach a resolution.

5.1.4. Any information or statements given to the mediator will be kept in strict confidence by all involved in this process.

5.1.5. The employee (grievant) and the respondent may have official representation present during the Grievance Mediation process.

5.1.6. Grievance Mediation is not a final and binding process. The employee (grievant) and respondent may mutually agree to accept the mediator's recommendation, resolving the complaint/grievance. If mutual agreement is not reached, the employee (grievant) may choose to return to the negotiated grievance procedure at the appropriate Step.

5.1.7. It is agreed that mediation agreements derived through the Grievance Mediation process are situationally dependent. They will not be considered as precedent setting or past practice. Mediation agreements may not be produced as evidence at subsequent litigation.

5.2. Procedures.

5.2.1. The Union will inform employees of the Grievance Mediation process when they file a grievance using the negotiated grievance procedure.

- 5.2.2. When an employee selects Grievance Mediation, the employee will sign the Memorandum of Agreement (MOA) with their Union Representative (see sample MOA below).
- 5.2.3. If the employee/grievant is represented by the Union, the Union representative will present the MOA to the management official involved in the grievance and provide a copy of the MOA to the Civilian Personnel Office.
- 5.2.4. If the employee is not represented by the Union, the Employer will advise the employee of the Grievance Mediation process.
- 5.2.5. The Civilian Personnel Office will brief management about Grievance Mediation and will ensure management signs the MOA.
- 5.2.6. Within five (5) work days of the employee signing the MOA, the Union will contact the Federal Mediation and Conciliation Service (FMCS) regarding availability dates for mediation. If the Union does not represent the employee, the Employer will contact FMCS regarding availability dates for mediation.
- 5.2.7. A mediation date will be scheduled in an expeditious manner.
- 5.2.8. The employee (grievant), respondent (management official), the Civilian Personnel Office, and the Union will mutually ensure everyone is aware of the date, time, and place of the mediation.
- 5.2.9. The employee (grievant) and respondent (management official) may mutually agree to accept the mediator's recommendation, resolving the complaint/grievance.
- 5.2.9.1. If the employee (grievant) and respondent mutually agree to accept the mediator's recommendation or otherwise reach agreement, the agreement will be reviewed by the Union and the Civilian Personnel Office to ensure compliance with applicable laws, rules, regulations, or the labor-management contract.
- 5.2.9.2. The review process will be accomplished in an expeditious manner.
- 5.2.9.3. If there is a disagreement on interpretation of law, rule, regulation or the labor-management contract, the President of AFGE Local 1709 or designee and the Civilian Personnel Officer or designee will reach a consensus on the point of disagreement.
- 5.2.9.4. If the consensus is that the agreement violates law, rule, regulation or the labor-management contract, those involved in the mediation may reconvene to attempt a revised agreement.
- 5.2.9.5. Once the agreement has received favorable review, the agreement will be signed by the employee (grievant) and the respondent (management official).
- 5.2.9.6. The employee will receive the original agreement while the respondent (management official), the Civilian Personnel Office, and the Union will receive a copy of the agreement.
- 5.2.10. The employee (grievant) may choose to return to the negotiated grievance procedure at the appropriate Step if a mutual agreement is not reached.
- 5.2.11. The mediator will destroy all of his/her notes following mediation.

MEMORANDUM OF AGREEMENT

Between [EMPLOYEE/GRIEVANT NAME] and [RESPONDENT NAME]

(For Grievance Mediation)

Both Parties understand we are entering into the Grievance Mediation process voluntarily and of our own free will.

Any information or statement given to the Mediator will be kept in strict confidence by all involved in the mediation process.

Either Party may have official representation present during the Grievance Mediation process.

If I (employee/grievant) stop the Grievance Mediation process prior to completion, I (employee/grievant) may return to the negotiated grievance procedure at the appropriate Step.

At the end of the mediation, both Parties may reach agreement or mutually agree to accept the mediator's recommendation, resolving the complaint/grievance. If mutual agreement is not reached, I (employee/grievant) may choose to return to the negotiated grievance procedure at the appropriate Step.

EQUAL OPPORTUNITY (EO) AND AFFIRMATIVE EMPLOYMENT

SECTION 1. The Employer and Union agree to cooperate in providing equal opportunity in employment for all persons, to prohibit discrimination and to promote the full realization of equal employment opportunity through a continuing affirmative employment program in accordance with applicable laws, rules, and government-wide regulations.

SECTION 2. In accordance with the EEO policy of the Department of the Air Force, the Employer and the Union agree to cooperate and promote the full realization of equal opportunity through a positive and continuing effort as outlined in the Department of the Air Force, Dover Air Force Base, and affirmative employment programs.

SECTION 3. The Union and the Employer agree to work together in the exploration and implementation of ideas and programs by which equal employment opportunity will be achieved. The names and telephone numbers of EO counselors will be posted on official bulletin boards in work sites and kept current.

SECTION 4. The Employer agrees to submit to the Union, copies of statistical employment information by minority group designation and sex whenever such reports are otherwise prepared and submitted to higher authority, as well as a copy of any Dover AFB affirmative action plans.

SECTION 5. In presenting and/or pursuing a complaint of discrimination, the complainant, as well as his/her representative (if a bargaining unit employee) shall be assured freedom from restraint, interference, coercion, discrimination or reprisal.

SECTION 6. In presenting and/or pursuing a complaint of discrimination, a complainant shall have the right to be accompanied, represented and advised by a representative of his/her choice.

SECTION 7. A bargaining unit employee who feels he/she has been discriminated against must contact an EO counselor.

SECTION 8. Reasonable Accommodation. The Employer agrees to make reasonable accommodation to the known physical and mental limitations of the qualified handicapped employee unless the Employer can demonstrate that accommodation would impose an undue hardship on the operation of its functions. Reasonable accommodation includes such actions as:

- 8.1. Making facilities accessible to and usable by persons with disabilities,
- 8.2. Job restructuring,
- 8.3. Part-time or modified work schedules,
- 8.4. Acquisition or modification of equipment or devices,
- 8.5. Provision of readers for blind persons and sign language interpreters for deaf persons.

ARTICLE 24

DAILY WORK SCHEDULES

SECTION 1. General. The scheduling of work will be administered in accordance with all applicable laws, rules, regulations, and this agreement.

SECTION 2. Tours of Duty.

2.1. General.

2.1.1. In accordance with the provisions of this Article, work schedules/shifts may be directed at the Employer's discretion to meet operational needs, or at the employee's request with the Employer's approval.

2.1.2. Work shifts may range from a minimum of two (2) hours in duration for part-time employees, and four (4) hours in duration for full-time employees, up to and including a maximum of 10 hours per work shift, excluding DAF Police Officers (see paragraph 2.1.7. below). When maxi-flex is used, minimum and maximum hours per shift do not apply.

2.1.3. Employees shall have a set tour of duty which constitutes the basic workweek; for example, Monday-Friday, 0700-1600 with a one-hour lunch. Exceptions to the regularly scheduled basic workweek will be in accordance with laws/regulations.

2.1.4. An employee's duty day shall begin and end as scheduled.

2.1.5. Employees will normally have the opportunity for eight (8) hours of rest in a 24-hour period to allow employees to report adequately rested to perform assigned duties.

2.1.6. The Employer will strive to maintain the stability of an employee's tour of duty.

2.1.7. DAF Police Officers hours of employment will be flexible to accommodate training, special circumstances and post requirements. Duty hours per shift may be similar for civilian and military personnel.

2.2. Changes initiated by Management. When management decides to change an employee's tour of duty (either days of work or hours of work), the following procedure will be followed:

2.2.1. A written notice of the change will be provided to the Union and the affected employee as soon as possible, normally two weeks in advance;

2.2.2. Management will consider relevant information presented if the change causes a significant hardship for the employee; and

2.2.3. These changes will not be arbitrary or capricious but will be made to accommodate mission requirements.

2.2.4. The Employer agrees to bargain the appropriate arrangements to employee's tour of duty in accordance with the law.

2.2.5. The Union does not have to be notified of temporary changes to tours of duty.

2.2.5.1. This includes, but is not limited to, the following examples:

2.2.5.1.1. Recurring or repetitive changes, for example, annual recertification, training or scheduled workdays directly before monthly unit training assemblies weekends.

2.2.5.1.2. When the Employer grants an employee request for a temporary change.

2.2.5.1.3. For civic obligations such as jury duty or court leave.

2.2.5.2. For DAF Police Officers, a minimum of ten (10) calendar days of a work schedule change for annual/recurring SFS-unique training and firing will be provided to the employee. This does not apply to training for ADLS or training due to emergency or time-sensitive situations.

2.2.5.3. DAF Police Officers will have a minimum of 8 hours off shift prior to weapons training/qualifications testing.

2.2.6. When management changes the number of employees on a required shift, management shall first consider fully-qualified volunteer employees. When volunteers are not available and management elects to assign employees to these positions, assignments will be made from fully qualified personnel using reverse seniority (see Article 9). Exceptions to “fully qualified” personnel may be made when pre-RIF placements necessitate a modification of qualifications or RIF placements necessitate a waiver of qualifications.

2.3. Changes initiated by Employee(s). Employees may submit a request at any time for a change to days of work, hours of work, or shift assignment using the following procedure:

2.3.1. The employee will submit a written request for a change to the supervisor;

2.3.2. The supervisor will review and approve/disapprove the request or maintain the request for later consideration;

2.3.3. The supervisor will place the request in the Supervisor’s Employee Work Folder (AF Form 971).

2.3.4. When an opening occurs, the Employer will first consider employees who have submitted written requests for those days of work, hours of work, or shift assignment changes. If more than one employee requested a change at the same time, the primary consideration for approval shall be seniority (See Article 9).

2.3.5. Consideration will be given to ensure the appropriate skills mix is available for each shift.

2.4. When changing a tour of duty, employees will normally have two (2) consecutive days off prior to beginning a different shift. Employees on a compressed AWS should normally have three (3) consecutive days off prior to beginning a different shift when changing a tour of duty.

SECTION 3. Lunch Periods.

3.1. All employees who are scheduled to work more than four (4) hours in one work shift will have a lunch period scheduled. Exceptions to the scheduled lunch period may be approved in advance by the immediate supervisor. When an individual is scheduled for a four (4) hour work shift, no lunch period will be scheduled.

3.2. Lunch periods may range from one-half hour to one hour in duration. Lunch periods will normally be scheduled to begin and end between the fourth (4th) and the sixth (6th) hours of the work day.

3.3. When a non-paid lunch period is not feasible because of emergency situations/conditions that require immediate attention, a paid on-the-job lunch period of up to 20 minutes will be authorized by the immediate supervisor. Police Officers will typically have a paid on-the-job 20-minute lunch period.

3.4. Employees are normally in a non-pay status during lunch periods. If the Employer interrupts the non-paid lunch period, due to emergency situations or conditions that require immediate attention, and requires an employee to perform work-related duties, the Employer will be obligated to compensate the employee for the work performed during the non-paid lunch period in accordance with applicable law, rule, and regulation.

SECTION 4. Rest Periods. Employees will be granted rest periods of 15 minutes during each half of the work shift. Normally, rest periods will be uninterrupted unless workload requirements necessitate the employee's services. These rest periods will not be taken in conjunction with lunch periods or at the beginning or end of the work shift. Police Officers will be granted necessary rest periods during each half of the work shift, mission permitting.

SECTION 5. Daylight Saving Time. An employee working on a shift when daylight saving time goes into effect is credited with the actual number of hours worked on that shift where work is available. Employees will be afforded the opportunity to work the scheduled consecutive hours on their shift with appropriate lunch breaks. If the employee elects not to take advantage of the opportunity to work the scheduled consecutive hours on his/her shift, or work is not available, the time lost as a result of the change to daylight saving time is charted to an appropriate leave category. An employee working a shift when the return to standard time is made, is credited with the actual number of hours worked on that shift. Any time worked in excess of scheduled hours will be compensated under the appropriate overtime laws.

SECTION 6. Stand-by/On-call. In accordance with applicable rules/regulations, time spent on standby duty shall be considered hours of work while time spent on-call shall not be considered hours of work.

6.1. For AFMAO employees – aggregation of civilian on-call time.

6.1.1. Nature of the Mission. The nature of the AFMAO mission dictates civilian employees must be available on short notice to perform their time-sensitive duties. While mission accomplishment is a top priority, accountability and the proper documentation of employee overtime and compensatory time is vital to ensuring fair and equitable compensation for civil service personnel throughout AFMAO.

6.1.2. On-call Time. An employee who is required to carry a cell phone, or who is allowed to leave a message where he or she can be reached is not working while on call. When an employee is required to work while on call (i.e., answering a phone call from Next of Kin), as long as the original work was 7.5 minutes or longer in duration, that time can be claimed in increments of 15 minutes rounded to the nearest 15 minute increment (i.e., a 16 minute call would be rounded down to 15 minutes, and a 27 minute call would be rounded up to 30 minutes worked).

6.1.3. Aggregation of On-call Time. An employee who receives multiple on-call phone calls (i.e., 2 minute call followed by a 5 minute call, followed by a 4 minute call) will be compensated for the cumulative amount of time they are on the phone based on 15 minute increments assuming the aggregation is greater than 7.5 minutes.

6.2. All other employees in an on-call status will follow the guidelines outlined above for AFMAO employees.

SECTION 7. Alternative Work Schedules.

7.1. General Provisions.

7.1.1. Alternative Work Schedule (AWS) programs have the potential to increase the ability of managers and supervisors to meet their program goals of accomplishing the mission while, at the same time, allowing employees to be more flexible in scheduling their personal activities. Alternative work schedules must not reduce productivity, diminish the level of service provided, or increase costs of operations at Dover AFB (other than an administrative cost to process the establishment of an AWS program). Congress states that the use of alternative work schedules has the potential to improve productivity in the Federal Government and provides greater service to the public. The Parties believe this is true for Dover AFB and our customers.

7.1.2. The schedules included in this Agreement are available for use at Dover AFB. Not every schedule is appropriate for every work center and authority for the approval/disapproval of work schedules resides with Management.

7.2. Responsibilities.

7.2.1. Employees.

7.2.1.1. Employees may request, and be considered for, participation in the AWS program within the parameters of this agreement.

7.2.1.2. Employees who desire to work an alternate work schedule must submit the required form to their immediate supervisor, and must receive their supervisor's approval.

7.2.1.3. Employees are responsible for managing their schedules so the actual time they work in each biweekly pay period equals the number of hours of their Basic Work Requirement (see definition for Basic Work Requirement).

7.2.1.4. Employees who abuse AWS may be sanctioned such as, but not limited to, imposition of stricter time accounting methods, disqualification from continued participation in the AWS program, and/or appropriate disciplinary measures.

7.2.1.5. Employees whose most recent performance rating of record is "Unacceptable" may be ineligible to participate, or continue participating, in the AWS program or may be changed to a different AWS. If the employee receives a subsequent "Fully Successful" performance rating and their work schedule was impacted during the period with the "Unacceptable" rating, the employee may submit a request to return to AWS using the required form.

7.2.2. Supervisors.

7.2.2.1. Supervisors are responsible for considering employee(s)' requests for AWS.

7.2.2.2. Supervisors will respond to employees who submitted AWS forms within two weeks of receipt of the request.

7.2.2.3. Supervisors are responsible for monitoring the work hours of subordinates and for ensuring compliance with AWS program policy.

7.2.2.4. Supervisors will review employee(s)' AWS periodically, for example during the performance feedbacks or when a supervisor changes.

7.3. Definitions: See Glossary.

7.4. The Parties agree that the language in Section 7 of Article 24 fully covers procedures for changing an approved AWS. However, if a circumstance arises that changes an employee's condition(s) of employment that is not specified herein, Article 3 of the Agreement will apply.

7.5. Request and Response Process.

7.5.1. Employee's Initial Request.

7.5.1.1. An employee who desires to work an AWS must submit the Dover AFB Alternative Work Schedule Form to their immediate supervisor (see Attachment 3).

7.5.1.2. An employee should select an approved AWS as described in this agreement.

7.5.1.3. Employees need to be flexible and should understand the schedule initially requested may not be approved or could be approved with modifications.

7.5.1.4. Employees must receive their supervisor's approval before working under an AWS.

7.5.2. Supervisor's Initial Response.

7.5.2.1. A supervisor must determine which of the AWS described in this agreement the employee is requesting and verify the request form accurately reflects the requested schedule. (This determination/verification is accomplished because rules on holidays, overtime and premium pay, and timekeeping requirements differ for each type of work schedule.)

7.5.2.2. The supervisor and the employee are encouraged to informally discuss the impact of the requested work schedule on work requirements.

7.5.2.3. The supervisor must consider the information under Section 7.1. of this article, and within two weeks of receiving the request, the supervisor will make a decision to (1) approve the request as submitted, (2) approve the request with modification, or (3) disapprove the request. If the decision is to disapprove the request, the supervisor may suggest another AWS.

7.5.2.4. When supervisors disapprove an eligible employee's request or terminate an existing AWS, they should articulate a clear explanation of the disapproval or termination. Disapproval/termination may occur at any time and may be based on the following criteria:

7.5.2.4.1. Interference with carrying out a work center's functions related to alternative work schedules (e.g., insufficient employee coverage to accomplish the mission efficiently [such as multi-shift operations, specific customer service hours], extended turnover time, diminished productivity, diminished customer service); or,

7.5.2.4.2. An increase in costs related to alternative work schedules; or,

7.5.2.4.3. Abuse of the AWS privilege. Example: It is an abuse of the AWS privilege for an employee on a flexible work schedule to falsify their arrival and/or departure time; or,

7.5.2.4.4. Temporary, normally unforeseen surges in workload related to safety, security, emergencies, weather, and/or natural disaster; or,

7.5.2.4.5. The most recent performance rating of record is "Unacceptable."

7.5.2.5. If the impact on employee work requirements has been resolved, conflicts in proposed work schedules among bargaining unit employees will be resolved based on seniority (See Article 9). The supervisor is responsible for ongoing review of the employee's use of AWS to ensure that the duties and requirements of the employee's position are fulfilled. The supervisor may alter an employee's work schedule for the duration of a performance improvement period, as necessary, until the supervisor determines that the employee's performance has met the Acceptable level.

7.5.3. Employee's dissatisfaction with supervisor's response.

7.5.3.1. An employee who is dissatisfied with the response received for their request for an AWS will present their concerns to their supervisor.

7.5.3.2. The employee and the supervisor are encouraged to discuss informally the employee's and supervisor's concerns in an attempt to resolve the employee's dissatisfaction.

7.5.3.3. If the employee is still dissatisfied, the employee may request ADR in accordance with Article 23 of this Agreement or may file a grievance in accordance with Article 21 of this Agreement.

7.5.4. Changes to Approved Work Schedules.

7.5.4.1. An employee may request a different negotiated AWS or termination of an AWS at any time. This submission may include start, stop, or changes within a negotiated AWS.

7.5.4.2. A supervisor will consider the employee's request and provide a decision not later than the end of the next pay period following the submission of the request.

7.5.4.3. A supervisor may approve temporary schedule variances in special situations.

7.5.4.4. When a supervisor determines that it is necessary to involuntarily change or involuntarily terminate an employee's AWS, the supervisor shall provide the employee the reason(s) for the change/termination and reasonable advance notice, typically one full pay period.

7.5.4.5. Employees on a temporary duty assignment will adhere to the tour of duty of the work center to which they are temporarily assigned. The employer may require an employee to follow a standard fixed schedule (8 hours a day and 40 hours a week) during pay periods he or she is on a temporary duty assignment. The Employer will consider alternatives for employees who are adversely affected by such temporary assignment (e.g., by altering their day(s) off if on alternative work schedule).

7.5.4.6. If an employee is dissatisfied with a change to an approved AWS, paragraph 3, "Employee's dissatisfaction with supervisor's response," above applies.

7.6. Effective Dates:

7.6.1. An initially approved AWS will begin the first full pay period after the request is approved.

7.6.2. Approved changes to work schedules will normally be effective at the beginning of the next pay period.

7.7. Documentation/Record Maintenance. The advantages of AWS require additional timekeeping and supervisory approval controls to ensure sufficient work center coverage. Supervisors shall maintain files on written approvals and subsequent approved changes of the employee's AWS. The supervisor shall maintain in a record any documentation that the supervisor believes is necessary to support the employee's time and attendance under an AWS and to provide an adequate "audit trail" for any review of the AWS program that is appropriate.

7.8. Administration of AWS.

7.8.1. General.

7.8.1.1. Supervisors will use available time accounting systems for employees.

7.8.1.2. Employees must manage their schedules so that the actual time they work and/or take leave, use time off awards, or use previously earned compensatory time, equals the number of hours of their Basic Work Requirement (see definition for Basic Work Requirement).

7.8.1.3. Scheduling Arrival and Departure Times. Arrival and departure times for employees on approved alternative work schedules will be in 15-minute intervals from the hour.

7.8.1.4. Work Schedules for Employees in Travel Status. Employees on alternative work schedules must account for all scheduled work hours while in a travel status. The regular rules governing travel apply.

7.8.1.5. Work Schedules for Employees on Temporary Duty and Training. If an employee's work schedule changes as a result of a temporary duty assignment, the time accounting system must be annotated accordingly.

7.8.2. Leave/Excused Absences. The maximum amount of leave or excused absence charged to the employee is equal to the number of hours the employee is scheduled to work. When the Employer excuses employees from duty for a whole or part of a day because of leave, weather conditions, emergencies, or other reasons (annual leave, sick leave, military leave, court leave, administrative leave, excused absence, etc.), the amount of time charged will be based on the employee's normal work schedule.

7.8.3. Holiday Pay (When No Work Is Performed)

7.8.3.1. A full-time employee on a compressed work schedule (CWS) who is relieved or prevented from working on a day designated as a holiday (or an "in lieu of" holiday under 5 U.S.C. Sec. 6103(b) or (d) or section 3 of E.O. 11582) by Federal statute or Executive order is entitled to his or her rate of basic pay for the number of hours of the compressed work schedule on that day. (See 5 C.F.R. Sec. 610.406(a).)

7.8.3.2. If a holiday falls on a day during a part-time employee's scheduled tour of duty and the employee is relieved or prevented from working on that day, the employee is entitled to his or her rate of basic pay for the number of hours he or she normally would have been scheduled to work that day. (See 5 C.F.R. Sec. 610.406(b).)

7.8.3.3. Determining "in Lieu of" Holidays when Holidays Fall on Non-workdays

7.8.3.3.1. Non-workdays Other than Sunday. Except as provided in subparagraphs (2) and (3) below, if a holiday falls on a non-workday of the employee, the employee's preceding workday will be the designated "in lieu of" holiday. (See 5 U.S.C. Sec. 6103(b).)

7.8.3.3.2. Sunday Non-workday. Except as provided in subparagraph (3) below, if the holiday falls on the Sunday non-workday of an employee, the subsequent workday will be the employee's designated "in lieu of" holiday. (See section 3 of E.O. 11582.)

7.8.3.3.3. Agency rules. Under 5 U.S.C. Sec. 6103(d), the head of an agency may prescribe rules under which a different "in lieu of" holiday is designated than would be required under 5 U.S.C. Sec. 6103(b), E.O. 11582, or the terms of any collective bargaining agreement, for full-time employees on compressed work schedules when the head of an agency determines that a different "in lieu of" holiday is necessary to prevent an "adverse agency impact." The term "adverse agency impact" is defined in 5 U.S.C. Sec. 6131(b).

7.8.3.3.4. Under its authority to determine the administrative workweek (5 C.F.R. Sec. 610.111), an agency may change an employee's schedule (and scheduled days off) for operational reasons. Schedule changes must be documented and communicated to employees in advance of the start of an administrative workweek except when the criteria in 5 C.F.R. Sec. 610.121(a) apply. (Also, see 5 C.F.R. Sec. 610.121(b)(2).)

7.8.4. Pay for Holiday Work

7.8.4.1. A full-time employee under a CWS program who performs non-overtime work on a holiday (or a day designated as the "in lieu of" holiday under 5 U.S.C. Secs. 6103(b) or (d) or section 3 of

E.O. 11582) is entitled to basic pay plus premium pay equal to his or her rate of basic pay for the work that is not in excess of the employee's compressed work schedule for that day. (See 5 C.F.R. Sec. 610.407.)

Note: Since CWS schedules are fixed schedules, employees must not be required to move their regularly scheduled days off solely to avoid payment of holiday premium pay or to reduce the number of holiday hours included in the basic work requirement. See 5 U.S.C. Sec. 6101(a)(3)(E).

7.8.4.2. A part-time employee under a CWS program is entitled to holiday premium pay only for work performed during his or her compressed work schedule on a holiday. A part-time employee scheduled to work on a day designated as an "in lieu of" holiday for full-time employees is not entitled to holiday premium pay for work performed on that day, since part-time employees are not entitled to "in lieu of" holidays. (See 5 C.F.R. Sec. 610.406(b).)

7.8.5. Pay for Sunday Work. A full-time employee who performs non-overtime work during a tour of duty on a compressed work schedule, a part of which is performed on Sunday, is entitled to Sunday premium pay for his or her entire tour of duty on that day. (See 5 U.S.C. Sec. 6128(c).)

7.8.6. Overtime Pay and Compensatory Time. Overtime hours (see Glossary) are compensated in accordance with governing rules and regulations for premium pay.

7.8.7. Differential Pay. Differential pay, such as night pay (General Schedule employees – 5 U.S.C. Sec. 5545(a)) and shift differential (Federal Wage System employees - 5 U.S.C. Secs. 5343(f) and 6123(c)(2)) is compensated in accordance with governing rules and regulations.

7.8.8. Travel. The regular rules governing hours of work and overtime pertaining to travel apply. Employees in travel or training status or on detail will adhere to the tour of duty of the work center to which they are temporarily assigned. The employer may require an employee to follow a standard fixed schedule (8 hours a day and 40 hours a week) during pay periods he or she travels. The Employer will consider alternatives for employees who are adversely affected by such temporary assignment (e.g., by altering their day(s) off if on alternative work schedule).

7.9. Core Hours. Core hours and flexible time bands (see Glossary) are applicable to flexible work schedules only and are mutually agreed upon by the Parties. Any changes to established core hours and flexible time bands will be negotiated. Copies of approved core hours and flexible time bands will be maintained by the Union and the Civilian Personnel Office.

7.10. Types of AWS available at Dover AFB for bargaining unit employees:

7.10.1. Compressed Work Schedule (see Glossary).

7.10.1.1. Four Ten Hour Work Week (4-10s): The basic work requirement for a full-time employee consists of four (4) 10-hour days per week and 80 hours a bi-weekly pay period. In the case of a part-time employee, the basic work requirement of less than 80 hours is scheduled for less than 10 workdays in a bi-weekly pay period and may require the employee to work more than 8 hours in a day.

7.10.1.2. Five-Four/Nine Work Schedule (5-4/9s): The basic work requirement for a full-time employee consists of: (a) eight (8) 9-hour days and one 8-hour day for a total of 80 hours a bi-weekly pay period or (b) eight (8) 9-hour days and two 4-hour days for a total of 80 hours a bi-weekly pay period. In the case of a part-time employee, the basic work requirement of less than 80 hours is scheduled for less than 9 workdays in the bi-weekly pay period and may require the employee to work more than 8 hours in a day.

7.10.2. Flexible Work Schedule.

7.10.2.1. Flexitour: The basic work requirement (see Glossary) for a full-time employee consists of five (5) 8-hour days per week and 80 hours a bi-weekly pay period. In the case of a part-time employee, the basic work requirement of less than 80 hours is scheduled by the Employer and does not exceed 8 hours a day. Working established core hours (see paragraph 7.9.), employees select arrival and departure times, subject to the Employer's approval, during designated flexible time bands. This results in a fixed schedule. At the request of an employee, the Employer may approve an adjusted arrival and departure time.

7.10.2.2. Gliding Schedule: The basic work requirement (see Glossary) for a full-time employee consists of five (5) 8-hour days per week and 80 hours a bi-weekly pay period. In the case of a part-time employee, the basic work requirement of less than 80 hours is scheduled by the Employer and does not exceed 8 hours a day. Working established core hours (see paragraph 7.9.), employees select arrival and departure times, subject to the Employer's approval, during designated flexible time bands. Employees may change starting and stopping times daily within the established flexible hours.

7.10.2.3. Variable day schedule: The basic work requirement (see Glossary) for a full-time employee consists of two (2) 40-hour work weeks in a biweekly pay period in which an employee has a set schedule with varying number of hours worked on a given workday within the limits established for the organization and this Agreement.

7.10.2.4. Maxi-flex schedule: The basic work requirement (see Glossary) for a full-time employee consists of 80 hours in a biweekly pay period in which an employee may vary the number of hours worked on a given workday or the number of hours each week within established core hours (see paragraph 7.9.).

7.10.2.5. Flexible Work Schedule Guidelines.

7.10.2.5.1. Core Hours: An employee must account for missed core hours (if permitted) with leave or previously earned and documented compensatory time off or credit hours.

7.10.2.5.2. Night Pay: For GS employees, if an employee's tour of duty includes 8 or more hours available for work during daytime hours (i.e., between 6 am and 6 pm), he or she is not entitled to night pay even though he or she voluntarily elects to work during hours for which night pay is normally required (i.e., between 6 pm and 6 am).

7.10.2.5.3. Night Differential (Wage Grade and Wage Leader): Night differential will not be paid solely because a wage grade or wage leader employee elects a time of arrival or departure at a time of day when night differential is otherwise authorized, except that wage grade and wage leader employees are entitled to night differential for regularly scheduled non-overtime work when a majority of the hours of the flexitour work schedule for a daily tour of duty occur during the night.

7.10.2.6. Credit Hours.

7.10.2.6.1. Credit hours are earned at the employee's election. Employees may earn credit hours in increments of no less than ¼ hour (15 minutes). Employees may earn a maximum of two (2) credit hours per duty day (or work no more than 10 hours per day) and a maximum of 10 credit hours in a biweekly pay period.

7.10.2.6.2. Supervisory Approval for Earning. Except when in a travel status, employees must notify their supervisor of the intent to earn credit hours prior to earning the credit hour(s). At the supervisor's discretion, supervisory approval may be required before an employee can earn credit hours. If supervisory approval is required, the approval will be based on workload requirements. An exception to the notification/approval requirement could be based on the following: Example (illustrative only): If an employee is performing a task, it is expected that the employee will finish the task rather than interrupting that process in an attempt to notify the supervisor and secure approval for credit hours.

7.10.2.6.3. “Round Down Daily” Rule. This rule is used for computing daily or partial hours. The rules require that the entire time period be worked—no rounding up is allowed. Thus, in order to earn a partial credit hour, an employee must work a full 15-minute increment. Employees cannot carry-over any minutes worked which do not constitute a full 15-minute increment.

7.10.2.6.4. For 512 OG Flight Engineers and Loadmasters only:

7.10.2.6.4.1. When flying, employees may earn a maximum of 16 hours per day and a maximum of 24 credit hours in a biweekly pay period.

7.10.2.6.4.2. When not flying, employees may earn a maximum of two (2) hours per duty day (or work no more than 10 hours per day) and a maximum of 10 credit hours in a biweekly pay period.

7.10.2.6.5. Maximum Carry-Over of Credit Hours. Subject to the paragraph on “Compensation” below, full-time employees may carry from pay period to pay period up to 24 credit hours. A part-time employee may carry forward to the next biweekly pay period an amount of credit hours equal to $\frac{1}{4}$ of the hours in the employee’s biweekly basic work requirement.

7.10.2.6.6. Using Credit Hours. Employees may use earned credit hours in lieu of annual, military, or sick leave. Credit hours may NOT be used to qualify an employee for premium pay. Use of credit hours to cover periods of absence will be administered in the same manner as use of annual, military, and sick leave. Supervisory approval is required before credit hours may be used.

7.10.2.6.7. Compensation. Payment for a balance of unused credit hours occurs when an employee working under a flexible work schedule either leaves the employer, or changes to a fixed work schedule. In those circumstances, the employee is entitled to compensation for unused credit hours. Payment for credit hours is made at the rate for which they were earned. To the maximum extent possible, the supervisor and the employee should plan work schedules so that the employee has no remaining balance of credit hours at the time the employee either leaves the employer, or changes to a fixed work schedule.

7.10.2.6.8. Annual Leave "Use or Lose." A credit hour balance is not a valid justification for carrying over “use or lose” annual leave. Therefore, employees should schedule annual leave usage before credit hour usage when they are in a “use or lose” situation.

7.10.3. Any of the AWSs identified in this Agreement may be requested by an employee (see following exception for Police Officers). Absent a request from the employee, the Employer may utilize any work schedule at their discretion in accordance with OPM guidelines. Exception: Regular and recurring 5/4/9 and 4/10 compressed work schedules may not be requested by Police Officers except on an *ad hoc* basis and for a temporary period of time.

7.11. Work Schedule Termination. A specific work schedule option, for example the 4/10 CWS, will be terminated for the Employer, a component, or a work center only if there is evidence showing that the work schedule option in question is causing an “adverse impact” as defined in 5 U.S.C. § 6131(b). “Adverse impact” means: 1) a reduction in the productivity of the Employer, a component, or a work center; 2) a diminished level of services furnished to the public by the Employer, a component, or a work center; or 3) an increase in cost of the operations of the Employer, a component, or a work center (other than a reasonable administrative cost relating to the process of establishing and administering the work schedule in question). If no agreement is reached, the Parties may seek the assistance of the Federal Service Impasses Panel.

ARTICLE 25

HOLIDAY AND OVERTIME WORK

SECTION 1. Approved holiday and overtime hours worked outside the basic work hours will be compensated for and administered in accordance with applicable law, rule and regulation.

SECTION 2.

2.1. Scheduled: Scheduled holiday and overtime work will be posted at least four (4) workdays in advance. The Employer will solicit from all qualified bargaining unit employees within the squadron for volunteers that have the same title, series, and grade, unless the overtime work is 512th Airlift Wing specific. If there are more volunteers than overtime slots, rank the volunteers based on seniority and select accordingly. If there are insufficient volunteers, the Employer will select employees for mandatory overtime on a reverse seniority basis. Notification to those selected employees will be made as soon as possible. If it becomes necessary to cancel previously scheduled overtime, the Employer will notify the employee(s) as soon as possible. (See Article 9, Seniority Roster, for information on seniority)

2.2. Unscheduled: When holiday and overtime work cannot be scheduled four (4) workdays in advance, it is considered unscheduled. When unscheduled holiday or overtime work is necessary, the Employer will apply the same method as outlined in paragraph 2.1. Employees may request to be contacted if not on duty when unscheduled overtime and holiday requirements are identified. If time permits, the Employer will attempt to contact employees not on duty if there are not enough volunteers present when unscheduled overtime and holiday work is identified. An exception to unscheduled overtime and holiday work: when it becomes necessary to prevent a task from being delayed, not completed, or interrupted because of shift change or personnel change, the employee performing the task may be required to continue the task in an approved overtime status.

SECTION 3.

3.1. Employees recalled to work outside of their basic work hours shall receive a minimum of two hours of overtime, paid at the overtime rate or by compensatory time in accordance with the regulations. Supervisors should avoid calling an employee during off duty time. However, if it is necessary to contact an employee while off-duty, the employee will be paid at the overtime rate or by compensatory time for any work performed for 15 minutes or more; if it is necessary to contact an employee while he/she is on leave, the employee will not be charged leave for any work performed for 15 minutes or more. Supervisors may place an employee in a standby or on-call status, as appropriate.

NOTE: The "15 minutes" can be cumulative within a 24 hour period (as the time keeping system permits).

3.2. Mandatory overtime employees (those selected by reverse seniority) may request to switch with another employee after coordinating with and obtaining approval from their supervisor. No change

3.3. Employees who believe that they cannot work overtime for reasons of health, undue hardship, or family reasons, may provide a brief self-certification explaining their reasons to their supervisor. Employees should help their supervisor understand their concerns. The Employer agrees to consider the employee's inputs when determining who will be required to work overtime.

3.4. The supervisor will maintain overtime records in accordance with applicable laws, rules and regulations. The Union has the right to meet and discuss overtime situations with the appropriate

supervisor. The supervisor will make available overtime records (AF Form 428) if necessary upon request of the Union.

3.5. Employees who work overtime will normally be granted a fifteen (15) minute rest period when the overtime hours will total at least four (4) hours. Normally rest periods will be uninterrupted. For unscheduled overtime (when the employee is notified after they report for work), the employee will be permitted to provide notification that they are working overtime, by using the agency telephone at no cost. Employees have the option of purchasing a meal at regular cost, from the in-flight kitchen, if the overtime is for four (4) hours or more. Police Officers will be granted necessary rest periods during each half of the unscheduled overtime, mission permitting.

ARTICLE 26

ABSENCE AND LEAVE

SECTION 1. General. The leave program will be administered in accordance with all applicable laws, rules, regulations, and this agreement.

SECTION 2. Annual leave. Annual leave shall be earned and used in accordance with established criteria. The Parties agree that annual leave is a right of the employee and the granting, scheduling, or denial is determined by the Employer based on the Employer's needs in accomplishing the mission. The employee(s) and approving official are encouraged to plan and schedule the utilization of annual leave as far in advance as possible and mutually resolve conflicts in scheduling when they arise. If mutual agreement cannot be reached, and in the absence of a valid personal hardship, all things being equal as determined by the leave approving official, the employee with the highest seniority, based on Article 9, will be given the first choice.

2.1. Annual leave requests for the year will be submitted by 31 January. Annual leave schedules shall be prepared by 15 February. Supervisors should notify employees of approval/disapproval for these requests no later than 1 March.

2.2. Should the leave approving official deem it necessary to cancel previously scheduled and approved leave, the supervisor will explain the reasons for the cancellation to the employee as soon as possible (normally no later than 10 work days) prior to the commencement of leave. In the event that the employee has made arrangements and/or reservations for previously approved leave, and cancellation of leave will impose a hardship on the employee, the Employer shall reconsider the decision to cancel.

2.3. The Employer reserves the right to require the use of annual leave as dictated by the needs of the Service on the basis of circumstances such as breakdown or required servicing of equipment, lack of material or work, reduction of annual leave accumulation to prevent the forfeiture of earned leave, etc. Unless otherwise precluded by the circumstance, the Union will be notified in advance of such a requirement. Normally, the Union will be given sufficient advance notice of the need to require the use of annual leave so as to allow time for the representatives of the Employer and the Union to meet and discuss/negotiate the methods and procedures which will be used. Management will make every effort to assign employees duties within the scope of their positions and/or provide for an alternate work site to avoid the use of leave.

2.4. If the supervisor changes but the employee(s) remain in the same work center, no changes should occur to the projected leave schedule, except as provided by Section 2.B. If the employee moves to a new work center, his/her projected annual leave for the year will be taken into consideration by the new supervisor in accordance with this Section.

2.5. Supervisors must establish leave request/approval procedures within their work centers. Leave requests and approvals must be documented for record keeping purposes. Scheduled leave should be

documented in advance; unscheduled leave should be documented as soon as possible. Questions can be referred to the Civilian Personnel Office and/or the Civilian Pay Liaison. Hard copy OPM Forms 71 will not be required, but may be used in work centers where employees are not using an electronic leave request. OPM Forms 71 will not normally be maintained in the Supervisor's Employee Work Folder; they shall be maintained with the time cards.

SECTION 3. Sick Leave.

3.1. Sick leave is a qualified right of the employee and may be used in accordance with the regulations and instructions, i.e., 5 C.F.R. § 630 and AFI 36-815.

3.2. Supporting Documentation. An employee will not normally be required to furnish medical documentation for a period of absence of three (3) consecutive work days or less. However, for an absence of more than three (3) consecutive work days, employees are required to provide medical documentation (or other administratively acceptable documentation) to the supervisor. The supervisor may also consider an employee's self-certification of medical condition as to the reason for the absence. When warranted, management can require medical documentation from employees regardless of the duration of the absence.

3.3. Abuse of Sick Leave. The determination that sick leave abuse exists may be made by the leave approving official after review of all pertinent records. When there is reason to believe that an employee is abusing sick leave, medical documentation may be required for absences of three days or less. Supervisors may make exception to this for obvious illness. Counseling will be annotated on the AF Form 971 and initialed by both Parties. The employee's attendance will be reviewed at six month intervals and the determination made of the need to continue the requirement.

3.4. Advanced Sick Leave. In cases that arise from serious disability or illness after leave is exhausted, reasonable attempts shall be made to afford an employee advanced sick leave in accordance with applicable laws, rules, regulations, and instructions.

SECTION 4. Unscheduled Leave.

4.1. When unforeseen circumstances result in an unscheduled absence:

4.1.1. Police Officers will make every effort to contact his/her supervisor as far in advance as possible and prior to guard mount. If the supervisor is not available to talk with directly, contact the flight chief to allow for mission-impact schedule changes.

4.1.2. The absent employee will attempt to contact his/her supervisor and contact the duty section (if the supervisor is unavailable) as soon as possible but not later than two hours after the beginning of the shift. If the employee cannot speak to a supervisor, the employee will leave a telephone number so he/she may be contacted.

4.2. An employee is not automatically entitled to unscheduled leave simply because he/she has notified his/her supervisor and/or duty section. The granting or denial of leave is determined by the Employer based on the Employer's needs in accomplishing the mission and the employee's reasons for requesting the unscheduled absence. If an employee provides a reason to his/her supervisor that is considered by the supervisor to be insufficient to warrant approval of the unscheduled absence, the supervisor will advise the employee of the reason(s) for denial. The supervisor will give due consideration to the employee's request.

SECTION 5. Leave Without Pay (LWOP).

5.1. LWOP will be administered and granted in accordance with applicable laws and regulations.

5.2. Upon written request from the Union, employees in the unit that are elected or appointed delegates to Union conventions or other such functions that deal with internal union business, or serving temporarily as officers or representatives (i.e., district or national level) of the Union, shall be granted annual leave and/or LWOP consistent with regulations.

SECTION 6. Other Types of Leave and Absences. Other types of leave and absences, such as:

- Military Leave,
- Court Leave,
- Voluntary Leave Donation Program,
- Leave under the Family Medical Leave Act (FMLA),
- Excused Absence, i.e., blood donation, voting, emergency rescue or protective work, etc., and
- Bone Marrow or Organ Donation,

are administered in accordance with applicable laws, rules and regulations, such as AFI 36-815 and applicable Dover AFB Supplements.

ARTICLE 27

CLEAN UP

SECTION 1.

1.1. The supervisor will provide ample time for the employees to cleanup work areas and store government equipment and tools.

1.2. Employees will be granted reasonable time to wash-up before lunch and at the end of each day or shift.

1.3. Incidental duties that are directly connected with the performance of a job, such as obtaining and replacing working tools or materials, undergoing inspections, and similar tasks are considered part of the job requirements within the established tours of duty.

1.4. Time allotted for the above activities may vary depending on the job and/or work center.

SECTION 2. Custodial Duties.

2.1. Custodial duties are defined as: waxing, polishing, sweeping, cleaning and/or buffing floors; cleaning toilet rooms and replenishing toilet supplies; dusting and cleaning or polishing office furniture (excluding desks assigned to individual employees for their use in performing their duties as outline in their job description), walls, woodwork, ceilings, exposed pipes, insect screens, and window blinds and shades; cleaning windows and glass, radiators, grills for air handling systems, light fixtures, stairs and entrances; vacuuming rugs and carpets; sweeping and removing snow, leaves, stones, etc., from entrances, streets, and walks adjacent to buildings; removing trash from buildings to deposit in dumpsters.

2.2. Normally, custodial services are provided by contract or by civilian employees employed solely or principally for such work.

2.3. Employees are individually responsible for the cleaning of their immediate work area upon completion of his/her job assignment or at the end of his/her shift. Shop and plant personnel are expected to perform minimal custodial duties that are directly related to their normal duties. Custodial duties will be assigned only where the performance of such duties is reasonably related to the civilian employee's position and qualification.

2.4. Immediate work area in this article refers to the specific area in which an employee has performed his/her tasks, e.g., work bench, cockpit, tail section, desk, vehicle, engine, including flightline Foreign Object Debris (FOD) walks associated with immediate work area, etc.

2.5. Under normal circumstances, employees are excluded from organized FOD walks or policing up areas on a non-voluntary basis.

2.6. The phrase “other related duties as assigned” as used in position descriptions, means duties related to the basic job. This phrase will not be used to regularly assign custodial work to an employee that is not reasonably related to his basic job description, nor does it limit assignment of custodial work if included in the job description.

ARTICLE 28

VOLUNTARY DUES WITHHOLDING

SECTION 1. Employee Eligibility. The Employer and the Union agree that all unit employees are eligible for voluntary dues withholding.

SECTION 2. Allotment Authorization.

2.1. Each unit employee may voluntarily authorize the withholding of Union dues from the pay by submitting SF 1187, “Request for Dues Authorization” form. The form will contain the original signature of the employee and the certification of an appropriate Union Official.

2.2. The Union will supply the 1187 and the appropriate Union official will enter the current amount of regular dues to be deducted from each bi-weekly pay of the eligible employee.

2.3. Completed forms which are received in Defense Finance and Accounting Service (DFAS) will be timely processed provided the employee’s pay is of sufficient amount to cover the allotment after all other necessary deductions have been made. Withholding will continue until terminated under the conditions set forth in this article.

SECTION 3. Amounts Withheld.

3.1. The DFAS will withhold the dues amount specified by the Union from the bi-weekly pay from each bargaining unit employee requesting dues withholding.

3.2. The Union will submit in writing to the Dover civilian pay clerk, any change in the amount of dues to be withheld. The change will be processed expeditiously.

3.3. Whenever an employee is reinstated and receives back pay and allowances and was on voluntary dues withholding prior to loss of pay, all back dues shall be computed and withdrawn at the applicable basic dues rate, per pay period, and remitted to the Union in a lump sum. Withholding will continue until terminated under the conditions set forth in this article.

SECTION 4. Procedures for Terminating Allotments.

4.1. An employee wishing to terminate his Union Dues Allotment must fill out an SF 1188, “Cancellation of Payroll Deductions for Labor Organization Dues.” They may request the SF 1188 from the Union Hall for processing through the Dover civilian pay clerk.

4.2. An allotment shall be terminated the first full pay period after the annual anniversary date of the date dues withholding was authorized. Requests for revocation will be accepted and processed only

during the ten (10) day calendar day period preceding the employee's annual anniversary date of dues withholding. Requests not received during the above period cannot be processed. The Dover civilian pay clerk will notify the Union upon receipt of an SF 1188.

4.3. An allotment will be terminated upon receipt of notice from the Union that the unit employee is no longer a member in good standing. The action will be processed expeditiously.

4.4. DFAS will prepare a listing of unit employees from whom deductions were made and the amount. A copy of the dues deductions listing will be forwarded to the Union.

ARTICLE 29

TRAINING

SECTION 1. Determining Training Needs. Supervisors will review with the employee on an annual basis all training:

- 1.1. Offered in relation to employee's duties and responsibilities,
- 1.2. That is needed to bring about more effective job performance, and
- 1.3. Which meets the needs of both the employees and the employer in relation to their job.

SECTION 2. Establishing Training. The Employer shall ensure that:

- 2.1. Provisions are made for the use of funds for Employer or non-Employer training,
- 2.2. Employee self-development is encouraged through the work environment, and
- 2.3. Work assignment flexibility is used for training to promote employee growth.
- 2.4. Opportunities for specialized training are provided fairly and in a non-discriminatory manner.

SECTION 3. Union Representatives. The Employer shall extend training to Union Representatives on and in agency programs, policies and procedures when conducted on base which will better effect the efficiency of the service and is in the best public interest; i.e., Reductions in Force, Promotions, Classifications, Staffing, Equal Employment Opportunity, Worker's Compensation, and Discipline in a duty status.

SECTION 4. Both Parties recognize that training is an assignment of work.

4.1. Those employees who require access to the computer to perform their duties will have an active government email account and Common Access Card (CAC), in accordance with existing rules for computer access.

4.2. Those employees who do not require access will be provided the opportunity to have an active government email address and CAC for the purpose of completing computer-based training, such as ADLS courses, in accordance with existing rules for computer access.

4.3. Exceptions may be approved by the Employer on a case-by-case basis.

ARTICLE 31

SUBSTANCE ABUSE

SECTION 1. General. Both Parties recognize alcohol misuse, drug abuse, and illicit drug use are inconsistent with the accomplishment of the Air Force mission. Both Parties recognize substance abuse as a treatable illness and acknowledge it is in the best interest of all to treat those illnesses. Therefore, both Parties agree to work together to achieve a drug-free workplace, consistent with EO 12564 and 5 U.S.C. § 7301, while maintaining concern for the well-being of employees, the successful accomplishment of the mission, and the need to maintain high employee productivity.

SECTION 2. Employee Responsibility.

Although the Air Force will encourage treatment and rehabilitation, it is the responsibility of every employee to refrain from substance abuse and take personal responsibility for rehabilitation when substance abuse problems occur. Civilian employees of the Air Force must refrain from illicit drug use whether on or off-duty. Performing duties under the influence of alcohol or illicit drugs adversely affects personal safety, risks damage to government property, significantly impairs day-to-day operations, and exposes sensitive information to potential compromise. Air Force instructions provide for discipline or adverse action for substance abuse (such as alcoholism or the use of drugs) that affects job performance or conduct.

SECTION 3. Safe Haven. Management and the Union recognize the importance of a drug free workplace for safety and health reasons. Employees who voluntarily seek assistance with illicit drug use may not be under threat of disciplinary action if they adhere to the requirements of the "Safe Haven" criteria. Disciplinary action for illicit drug use will not be initiated for any employee who meets ALL four of the following conditions:

3.1. voluntarily identifies himself/herself as a user of illicit drugs prior to being notified of the requirement to provide a specimen for testing or being identified through other means (i.e., drug testing, investigation);

3.2. obtains and cooperates with appropriate counseling or rehabilitation;

3.3. agrees to and signs a last chance or statement of agreement; and

3.4. thereafter refrains from illicit drug use.

This does not preclude disciplinary action for other misconduct, i.e., possession of drugs or drug paraphernalia.

3.5. For those employees newly subject to random drug testing, notice that the employee will have the opportunity to voluntarily identify himself/herself as a user of illicit drugs and to receive counseling or treatment during the 30-day notice period under the safe haven provisions, and that the employee will be subject to random testing no earlier than 30 days following acknowledgment of new position designation as TDP.

SECTION 4. Counseling and Referral. Employees who have self-identified as having a substance abuse problem (which includes alcohol abuse or illicit drug use), or have been identified through other means such as possessing drugs or drug use paraphernalia, or who have been identified through drug testing, will be referred by their supervisor for counseling, assessment, and referral for treatment.

4.1. These procedures are established to ensure maximum workplace productivity through an alcohol misuse and drug-free workforce accomplished through a combination of deterrence, detection, and rehabilitation.

4.2. Rehabilitation shall be offered to all employees identified as having a substance abuse problem (defined as: alcohol misuse, a Medical Review Officer verified drug positive test result, and/or self-identified with a drug or alcohol problem), regardless of other administrative actions that may be pending or taken. Alcohol misuse is defined as alcohol-related misconduct that has a direct impact on work productivity.

4.3. If a rehabilitation team is convened, the CPS will notify the Union and the Union may elect to be a part of the team for bargaining unit employees.

4.4. Even when the removal of the employee from the Federal Service is proposed, the Air Force will offer, at a minimum, assessment and treatment referral services.

4.5. The civilian employee will be offered a one-time assessment and referral appointment. This assessment and referral appointment can be completed through the ADAPT program at no cost to the civilian employee, as space and services are available. At the employee's expense, this one-time assessment and referral appointment can also be conducted by other appropriate healthcare providers (e.g. civilian health care providers) off base. Should the employee decline the one-time assessment and referral appointment, either on or off base, disciplinary or removal action may be initiated.

4.6. Follow-on counseling services, if needed, are available at the employee's expense. The follow-up counseling services can be provided through the installation Employee Assistance Program (if available), through the ADAPT program (on space available as fee for service), or other appropriate private health care service providers.

4.7. Employees may be allowed up to one hour (or more as necessitated by travel time) of duty time for each assessment and referral session up to a maximum of three hours during the assessment/referral phase of treatment. This applies only to assessment/referral and not follow-up treatment.

4.8. Absences during duty hours for rehabilitation or treatment must be charged to the appropriate leave category, e.g., annual leave, sick leave, leave without pay, etc., according to law and Air Force leave regulations.

GLOSSARY 2

The following definitions apply only to Alternative Work Schedules.

Alternative work schedules (AWS) means both flexible work schedules and compressed work schedules.

Basic work requirement means the number of hours, excluding overtime hours, an employee is required to work or to account for by charging leave, credit hours, excused absence, holiday hours, compensatory time off, or time off as an award.

Compressed work schedule (CWS) means:

(1) in the case of a full-time employee, an 80-hour biweekly basic work requirement that is scheduled for less than 10 workdays; and

(2) in the case of a part-time employee, a biweekly basic work requirement of less than 80 hours that is scheduled for less than 10 workdays and that may require the employee to work more than 8 hours in a day. (See 5 U.S.C. Sec. 6121(5).)

Core hours means the time periods during the workday, workweek, or pay period that are within the tour of duty during which an employee covered by a flexible work schedule is required by the agency to be present for work. (See 5 U.S.C. Sec. 6122(a)(1).)

Credit hours means those hours within a flexible work schedule that an employee elects to work in excess of his or her basic work requirement so as to vary the length of a workweek or workday. Note for clarification, credit hours are applicable only to flexible work schedules; there is no legal authority for credit hours within compressed work schedules. Credit hours may be earned only in the performance of assigned and necessary work.

Flexible hours (also referred to as "flexible time bands") means the times during the workday, workweek, or pay period within the tour of duty during which an employee covered by a flexible work schedule may choose to vary his or her times of arrival to and departure from the work site consistent with the duties and requirements of the position. (See 5 U.S.C. Sec. 6122(a)(2).)

Flexible work schedule (FWS) means a work schedule established under 5 U.S.C. Sec. 6122, that --

(1) in the case of a full-time employee, has an 80-hour biweekly basic work requirement that allows an employee to determine his or her own schedule within the limits set by the Employer and this agreement; and

(2) in the case of a part-time employee, has a biweekly basic work requirement of less than 80 hours that allows an employee to determine his or her own schedule within the limits set by the Employer and this agreement.

Flexitour means a type of flexible work schedule in which an employee is allowed to select starting and stopping times within the flexible hours. Once selected, the hours are fixed until the agency provides an opportunity to select different starting and stopping times.

Hybrid means a combined flexible and compressed work schedule. There is no authority to establish hybrid work schedules that borrow selectively from the authority for flexible work schedules and the authority for compressed work schedules in an effort to create a hybrid work schedule program providing unauthorized benefits for employees or agencies. See Comptroller General report B-179810, December 4, 1979, and 50 FLRA No. 28, February 23, 1995. However, it should be noted that some forms of flexible work schedules (e.g., maxiflex) allow work to be compressed in fewer than 10 workdays in a biweekly pay period.

Gliding schedule means a type of flexible work schedule in which a full-time employee has a basic work requirement of 8 hours in each day and 40 hours in each week, may select a starting and stopping time each day, and may change starting and stopping times daily within the established flexible hours.

Maxiflex schedule A type of flexible work schedule that contains core hours on fewer than 10 workdays in the biweekly pay period and in which a full-time employee has a basic work requirement of 80 hours for the biweekly pay period, but in which an employee may vary the number of hours worked on a given workday or the number of hours each week within the limits established for the organization.

Organization means an entity within an agency that is headed by an official with the authority to establish tours of duty.

Overtime hours, when used with respect to FWS programs, refers to all hours in excess of 8 hours in a day or 40 hours in a week that are officially ordered in advance, but does not include credit hours. With respect to CWS programs, overtime hours refers to any hours in excess of those specified hours for full-time employees that constitute the compressed work schedule. For part-time employees, overtime hours are hours in excess of the compressed work schedule for a day (but must be more than 8 hours) or, for a week (but must be more than 40 hours).

Prevailing rate employee is defined in 5 U.S.C. Sec. 5342(2). These employees are also known as Federal wage employees.

Temporary duty means the assignment of work for a specific period of time to: (1) the same job at a different site, (2) a different job at the same site, (3) a different job at a different site, or (4) training at the same or different site (site may be on or off base). Temporary duty includes details and temporary promotions from one bargaining unit position to another.

Tour of duty under a flexible work schedule means the limits set by an agency within which an employee must complete his or her basic work requirement. Under a compressed work schedule or other fixed schedule, tour of duty is synonymous with basic work requirement.

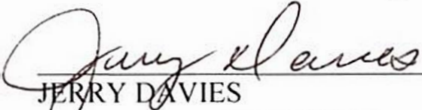

Variable day schedule means a type of flexible work schedule containing core hours on each workday in the week and in which a full-time employee has a basic work requirement of 40 hours in each week of the biweekly pay period, but in which an employee may have a set schedule with varying number of hours worked on a given workday within the week within the limits established for the organization and this Agreement. For example, a variable day schedule could be a recurring schedule of: Monday – 10 hrs, Tuesday – 6 hrs, Wednesday – 10 hrs, Thursday – 6 hrs, Friday – 8 hrs. On short-notice, Management may direct variations to meet mission needs.

Work unit means an entity located in one place with a specific mission, with homogeneous procedures or technology, and headed by a supervisor or manager authorized to approve time and attendance reports and approve leave.
